ALPHABETICAL LIST

OF

REVOLUTIONARY SOLDIERS.

1775—1783.

[The following alphabetical List of Soldiers of the War for Independence has been compiled chiefly from the Depreciation Account books in the office of the Auditor General of Pennsylvania. It is difficult to distinguish between those of the Line, the Association, Rangers, or Militia and many of them, no doubt, appear in the rolls already published; yet it has been deemed proper to print this list as it is. It contains nearly ten thousand names, and, as will be seen hereafter, but a small proportion of those heroes who gave us the heritage of liberty and free government we enjoy.]

[NOTE.—It may be here stated that in the foregoing list of Revolutionary officers and soldiers many of the names are duplicated, owing to the difference in the orthography of surnames. It was deemed proper to preserve the record, as the great majority of the names are not to be found on the rolls of the soldiers of the Line, or the Associators which follow. It is not without interest or value.]

DOCUMENTS

RELATING TO THE

ASSOCIATORS AND MILITIA

IN GENERAL.

ARTICLES OF ASSOCIATION.

Passed by the Committee of Safety, August 19, 1775.

WE, the officers and soldiers, engaged in the present association for the defense of American liberty, being fully sensible that the strength and security of any body of men, acting together, consists in just regularity, due subordination, and exact obedience to command, without which no individual can have that confidence in the support of those about him, that is so necessary to give firmness and resolution to the whole, do voluntarily and freely, after consideration of the following articles, adopt the same as the rules by which we agree and resolve to be governed in all our military concerns and operations, until the same, or any of them, shall be changed or dissolved by the Assembly, or Provincial Convention, or in their recess by the Committee of Safety, or a happy reconciliation shall take place between Great Britain and the Colonies.

1st. If any officer make use of any profane oath or execration, when on duty, he shall forfeit and pay, for each and every such offence, the sum of five shillings. And if a non-commissioned officer or soldier be thus guilty of cursing or swearing, he shall forfeit and pay, for each and every such offence, the sum of one shilling.

2d. Any officer or soldier who shall refuse to obey the lawful orders of his superior officer, may be suspended from doing duty on that day, and shall upon being convicted thereof before a regimental court martial, make such concessions as said court martial shall direct.

3d. Any officer or soldier who shall begin, excite, cause, join in, or promote any disturbance in the battalion, troop, or company, to which he belongs, or in any other battalion, troop, or company, shall be censured according to the nature of the offence, by the judgment of a regimental court martial.

4th. Any officer or soldier who shall strike his superior officer, or draw or offer to draw, or shall lift up any weapon, or offer any violence against him, being in the execution of his office, shall, upon conviction before a regimental court martial, be dismissed, and shall be deemed to be thereby disgraced as unworthy the company of freemen.

5th. Any commanding or other officer who shall strike any person when on duty, shall, upon conviction before a general court martial, be in like manner dismissed and disgraced.

6th. Any officer or non-commissioned officer or soldier, who shall make use of insolent, provoking, or indecent language while on duty, shall suffer censure or fine as shall be inflicted by a regimental court martial, according to the nature of the offence.

7th. If any officer or soldier should think himself injured by his colonel, or the commanding officer of the battalion, and shall, upon due application made to him, be refused redress, he may complain to the general of the Pennsylvania Associators, or to the colonel of any other battalion, who is to summon a general court martial, and see that justice be done.

8th. If any inferior officer or soldier shall think himself injured by his captain, or other superior officer in the battalion, troop, or company to which he belongs, he may complain to the commanding officer of the regiment, who is to summon a regimental court martial, for the doing justice according to the nature of the case.

9th. No officer, non-commissioned officer, or soldier shall fail of repairing with their arms, ammunition, and accoutrements upon any regular alarm, or at the time fixed, to the place of parade or other rendezvous appointed by the commanding officer, if not prevented by sickness or some other evident necessity, or shall go from the place of parade without leave from the commanding officer before he shall be regularly dismissed, on penalty of being fined or censured according to the nature of the offence, by the sentence of a regimental court martial. But no officer or soldier shall be obliged to attend to learn the military exercise more than once in a week.

10th. Any officer or soldier found drunk when under arms, shall be suspended from doing duty in the battalion, company, or troop on that day, and be fined or censured, at the discretion of a regimental court martial.

11th. Whatever sentinal shall be found sleeping upon his post, or shall leave it before he is regularly relieved, shall suffer such penalty or disgrace as shall be ordered by a regimental court martial.

12th. Whatever commissioned officer shall be convicted before a general court martial, of behaving in a scandalous or infamous manner unbecoming the character of an officer and a gentleman, shall be dismissed from the association with disgrace.

13th. Every non-commissioned officer or soldier who shall be convicted at a regimental court martial of having sold, carelessly lost, willfully spoiled or wasted, or having offered for sale, any ammunition, arms, or accoutrements belonging to this Province, shall be dismissed such battalion, troop, or company as an unworthy member, and be prosecuted as the law directs.

14th. All disorders and neglects which officers and soldiers may be guilty of, to the prejudice of the good order and military discipline of the association of this Province, are to be taken cognizance

of by a general or regimental court martial, according to the nature and degree of the offence, and be censured at their discretion.

15th. That on the first meeting of every battalion, after subscribing these articles of association, and from thence forward on the first meeting of every battalion, after the third Monday in September annually, there be chosen two persons, such as are entitled to vote for members of Assembly, out of each company in the respective battalions, by the non-commissioned officers and privates, whose duty and office shall be for the year following, to set and join with the officers in court martial, which persons so chosen shall be styled court martial men.

16th. Every general court martial shall consist of thirteen members, six of whom shall be commissioned officers under the rank of a field officer, and six court martial men, who shall be drawn by lot out of the whole number, and these twelve are to choose a president, who shall be a field officer and have a casting voice.

17th. Every regimental court martial shall be composed of seven members, three officers, three court martial men, and a president, who is to be a captain, and to be chosen by the six, and also to have a casting voice.

18th. In all courts martial not less than two thirds of the members must agree in every sentence for inflicting penalties, or for disgracing any associator, otherwise he shall be acquitted.

19th. The president of each and every court martial, whether regimental or general, shall require all witnesses, in order to trial of offenders, to declare on their honor, that what they give in as evidence is the truth, and the members of all courts martial shall make a declaration to the president, and the president to the next rank, upon their honor, that they will give judgment with impartiality.

20th. All non-commissioned officers, drummers, fifers, or others, that shall be employed and receive pay in any of the battalions, companies, or troops, shall subscribe these rules and regulations, and be subject to such fines, to be deducted from their pay, and to such penalties as a regimental court martial shall think proper, upon being convicted of having transgressed any of these regulations.

21st. All associators called as witnesses in any case before a court martial, who shall refuse to attend and give evidence, shall be censured or fined, at the discretion of the court martial.

22d. No officer or soldier being charged with transgressing these rules, shall be suffered to do duty in the regiment, company, or troop to which he belongs, until he has had his trial by a court martial; and every person so charged shall be tried as soon as a court martial can be conveniently assembled.

23d. The officers and soldiers of every company of artillery, or other company, troop, or party that is or shall be annexed to any

battalion, shall be subject to the command of the colonel or commanding officer of said battalion, and the officers shall set as members of courts martial in the same manner as the officers of any other company.

24th. No penalty shall be inflicted at the discretion of a court martial other than degrading, cashiering, or fining, the fines for the officers not to exceed three pounds, and the fine for a non-commissioned officer or soldier not to exceed twelve shillings for one fault.

25th. The field officers of each and every battalion shall appoint a person to receive such fines as may arise within the same, for breach of any of these articles, and shall direct those fines to be carefully and properly applied to the relief of the sick, wounded, or necessitous soldiers belonging to that battalion, and such person shall account with the field officers for all fines received, and the application thereof.

26th. The general or commander-in-chief of this association, for the time being, shall have full power of pardoning or mitigating any censures or penalties ordered to be inflicted for the breach of any of these articles by any general court martial; and every offender convicted as aforesaid, by any regimental court martial, may be pardoned, or have his penalties mitigated by the colonel or commanding officer of the battalion, excepting only where such censures or penalties are directed as satisfaction for injuries received by one officer or soldier from another.

27th. Any officer, non-commissioned officer, or other person, who, having subscribed these articles, shall refuse to make such concessions, pay such fines, or in any other matter refuse to comply with the judgment of any court martial, shall be dismissed the service, and held up to the public as unfriendly to the liberties of America.

28th. Upon the determination of any point by a regimental court martial, if the officer or soldier concerned on either side thinks himself still aggrieved, he may appeal to a general court martial; but, if upon second hearing, the appeal appears groundless and vexatious, the person so appealing shall be censured, at the discretion of the general court martial.

29th. Upon the death, resignation, promotion, or other removal of an officer from any battalion, troop, or company (except field officers), or any court martial men, such vacancy is to be filled by the person or persons such troop or company shall elect.

30th. No officer or soldier shall be tried a second time for the same offence, except in case of appeal.

31st. All officers and soldiers of every battalion, troop, company, or party of associators, who shall be called by the Assembly, or Committee of Safety in recess of Assembly, into actual service, and be on pay, shall, when acting by themselves, or in conjunction with the Continental forces, be subject to all the rules and articles made

by the honorable Congress for the government of the Continental troops.

32d. No commissioned, non-commissioned officer, or private shall withdraw himself from the company to which he belongs, without a discharge from the commanding officer of the battalion, nor shall such person be received into any other company without such discharge.

In testimony of our approbation and consent to be governed by the above regulations, which have been deliberately read to, or carefully perused by us, we have hereunto set our hands.

ADDRESS OF THE COMMITTEE OF CONFERENCE

To the Associators of Pennsylvania, June 25, 1776.

GENTLEMEN: The only design of our meeting together was to put an end to our own power in the Province by fixing upon a plan for calling a convention to form a government under the authority of the people. But the sudden and unexpected separation of the Assembly has compelled us to undertake the execution of a resolve of Congress for calling forth 4,500 of the militia of the Province to join the militia of the neighboring colonies to form a camp for our immediate protection. We presume only to recommend the plan we have formed to you, trusting that in case of so much consequence your love of virtue and zeal for liberty will supply the want of authority delegated to us expressly for that purpose.

We need not remind you that you are now furnished with new motives to animate and support your courage. You are not about to contend against the power of Great Britain in order to displace one set of villains to make room for another. Your arms will not be enervated in the day of battle with the reflection that you are to risk your lives or shed your blood for a British tyrant, or that your posterity will have your work to do over again. You are about to contend for permanent freedom, to be supported by a government which will be derived from yourselves, and which will have for its object not the enrollment of one man, or class of men only, but the safety, liberty, and happiness of every individual in the community.

We call upon you, therefore, by the respect and obedience which are due to the authority of the United Colonies, to concur in this important measure. The present campaign will probably decide the fate of America. It is now in your power to immortalize your names by mingling your achievements with the events of the year 1776—a year which we hope will be famed in the annals of history to the end of time, for establishing upon a lasting foundation the liberties of one quarter of the globe.

Remember the honor of our Colony is at stake. Should you desert the common cause at the present juncture, the glory you have acquired by your former exertions of strength and virtue will be tarnished, and our friends and brethern who are now acquiring laurels in the most remote parts of America will reproach us and blush to own themselves natives or inhabitants of Pennsylvania. But there are other motives before you—your houses, your fields, the legacies of your ancestors, or the dear-bought fruits of your own industry and your liberty—now urge you to the field. These can-

not plead with you in vain, or we might point out to you further—your wives, your children, your aged fathers and mothers, who now look up to you for aid and hope for salvation in this day of calamity only from the instrumentality of your swords. Remember the name of Pennsylvania. Think of your ancestors and of your posterity

MINUTES OF THE CONVENTION

Of Delegates from the Associated Battalions, held at Lancaster, July 4, 1776.

THE HANOVER RESOLVES.

AT an assembly of the inhabitants of Hanover, Lancaster county, held on Saturday, June 4, 1774, Col. Timothy Green, chairman, to express their sentiments on the present critical state of affairs, it was unanimously resolved:

1st. That the recent action of the Parliament of Great Britain is iniquitous and oppressive.

2d. That it is the bounden duty of the people to oppose every measure which tends to deprive them of their just prerogatives.

3d. That in a closer union of the Colonies lies the safeguard of the liberties of the people.

4th. That in the event of Great Britain attempting to force unjust laws upon us by the strength of arms, our cause we leave to heaven and our rifles.

5th. That a committee of nine be appointed, who shall act for us and in our behalf as emergencies may require.

The committee consisted of Col. Timothy Green, James Caruthers, Josiah Espy, Robert Dixon, Thomas Coppenheffer, William Clark, James Stewart, Joseph Barnett, and John Rogers.

TIMOTHY GREEN,
Chairman.

THE MIDDLETOWN RESOLVES.

At a meeting of the inhabitants of Lancaster county in assembly met, at the town of Middletown, June 8, 1774, Col. James Burd, chairman, it was unanimously resolved:

1st. That the acts of the Parliament of Great Britain in divesting us of the right to give and grant our money, and assuming such power to themselves, are unconstitutional, unjust, and oppressive.

2d. That it is an indispensable duty we owe to ourselves and posterity to oppose with decency and firmness every measure tending to deprive us of our just rights and privileges.

3d. That a close union of the Colonies and their faithful adhering to such measures as a general Congress shall judge proper, are the most likely means to procure redress of American grievances, and settle the rights of the Colonies on a permanent basis.

4th. That we will sincerely and heartily agree to and abide by the measures which shall be adopted by the members of the general Congress of the Colonies.

5th. That a committee be appointed to confer with similar committees relative to the present exigency of affairs.

JAMES BURD,
Chairman.

THE LEBANON RESOLVES.

At a meeting of the inhabitants of Lebanon and the adjoining townships, on Saturday, 25th of June, 1774, holden at the house of Capt. Greenawalt, whereof Major John Philip DeHaas was chairman, to take into serious consideration the state of public affairs, it was unanimously declared and resolved:

1st. That the late act of the British Parliament, by which the port of Boston is shut up, is an act oppressive to the people of that city and subversive of the rights of the inhabitants of America.

2d. That while we profess to be loyal subjects of Great Britain, we shall not submit to unjust and iniquitous laws, as we are not slaves, but freemen.

3d. That we are in favor of a Congress of Deputies who will act in behalf of the people for obtaining a redress of grievances.

4th. That we will unite with the inhabitants of other portions of our country in such measurers as will preserve to us our rights and our liberties.

5th. That our countrymen of the city of Boston have our sincerest sympathy, that their cause is the common cause of America.

6th. That Messrs. Philip Greenawalt, Thomas Clark, Michael Ley, Killian Long, and Curtis Grubb be a committee to collect contributions for our suffering brethren.

J. P. DEHAAS,
Chairman.

JOHN LIGHT,
Secretary.

THE LANCASTER RESOLVES.

Pursuant to the publication of the resolves of the Committee of Correspondence for the city and county of Philadelphia, there was held a meeting of a very respectable number of the freemen and inhabitants of the county of Lancaster, on Saturday, the 9th of July, 1774, George Ross, Esq., in the chair.

This assembly, taking into their serious consideration the several late acts of the British Parliament relative to America, came unanimously to the following declarations and resolves, viz:

1. We do sincerely profess and declare, that his most gracious Majesty King George the Third is our rightful and lawful sovereign, and that we will at all times support and defend him to the utmost of our power, with our lives and fortunes, against his enemies.

2. We do further declare that no power is constitutionally lodged in the hands of any body of men to give and grant our money, save only our representatives in assembly, who have at all times cheerfully granted aids to his Majesty whenever he has made a requisition from them.

3. That the acts of the British Parliament for divesting us of such right, and assuming such power to themselves, are unconstitutional, unjust, and oppressive.

4. That it is an indispensable duty we owe to ourselves and our posterity to oppose with decency and firmness every measure tending to deprive us of our just rights and privileges.

5. That a close union of the Colonies, and their faithful adhering to such measures as a general Congress shall judge proper, are the most likely means to procure redress of American grievances and settle the rights of the Colonies on a permanent basis.

6. That it is highly expedient to appoint a committee, to meet the committee of the other counties of this Province at Philadelphia, on the 15th instant, to confer with them on the important matters mentioned in the letter from the chairman of the committee of Philadelphia.

7. That we will sincerely and heartily agree to and abide by the measures which shall be adopted by the members of the general Congress of the Colonies.

8. That we do tenderly sympathize with our brethren of Boston, who are suffering in the American cause by an unconstitutional and oppressive act of the British Parliament, called the Boston Port Bill.

9. That a subscription be opened for the relief of our suffering brethren there.

10. That the subscription be put into the hands of the committee of this county, to be by them laid out in the purchase of provisions and sent to Boston towards the relief of their distresses.

11. That the committee for the borough of Lancaster already appointed be a Committee of Correspondence; and that George Ross, ames Webb, Matthias Slough, Joseph Ferree, Emanuel Carpenter, and William Atlee, Esquires, Mr. Alexander Lowry, and Mr. Moses Erwin be the committee to meet and consult with the committees of the other counties of this Province at Philadelphia, the 15th instant, and also to join with the Committee of Correspondence in receiving subscriptions.

It was then moved that the thanks of the freemen and inhabitants present should be rendered to the worthy chairman for the very proper and spirited address made by him to this assembly, replete with the warmest expressions of loyality to his Majesty, and fervent zeal for the common interests of America, which motion was agreed to by a general holding up of hands, and the thanks of the assembly were then presented to Mr. Ross for his patriotic conduct upon this occasion.

EBERHART MICHAEL,
Clerk.

A subscription was then immediately opened by the committee for the benefit of our suffering brethren of the town of Boston, and very handsome sums subscribed by several of the persons present; and at the request of numbers of the reputable inhabitants, papers are printed and sending to the different townships to receive the subscriptions of the inhabitants of this county, which it is expected will amount to a considerable sum, and will be collected as expeditiously as possible by the committee and laid out as shall be thought best to answer the good purpose intended.

A paper was delivered by Mr. Elijah Wickersham to the chairman at this meeting, and read by him, containing similar resolves (with the above) of the freemen of the townships of Paxtang and Derry, at their meeting at the town of Middletown, on the 8th last past, and signed by James Burd, Esq., chairman.

MINUTES OF THE COMMITTEE OF OBSERVATION.

[The full proceedings of the Committee of Observation for the county of Lancaster were in existence a few years ago, but at present cannot be found. We give, however, such extracts therefrom as have come into our possession.]

PROCEEDINGS.

LANCASTER, *June 15, 1774.*

In pursuance of a letter written by Mr. Charles Thompson, and sent to the inhabitants of this borough, directed to the care of Mr. William Atlee, a meeting was held on the 15th day of June, 1774, and the following resolves were agreed on, viz:

At a meeting of the inhabitants of the borough of Lancaster, at the court house in the said borough, on Wednesday, the 15th day of June, 1774: Agreed—that to preserve the constitutional rights of the inhabitants of America, it is incumbent on every Colony to unite and use the most effectual means to procure a repeal of the late act of Parliament against the town of Boston.

That the act of Parliament for blocking up the port and harbor of Boston is an invasion of the rights of the inhabitants of the said town, as subjects of the crown of Great Britain. That it is the opinion of the inhabitants at this meeting that the proper and effectual means to be used to obtain a repeal of the said act, will be to put an immediate stop to all imports and exports, to and from Great Britain, until the same act be repealed.

That the traders and inhabitants of this town will join and concur with the patriotic merchants, tradesmen, and freeholders of the city and county of Philadelphia, and other parts of this Province, in an association or solemn agreement to this purpose, if the same shall be by them thought necessary.

That Edward Shippen, Esq., George Ross, Esq., Jasper Yeates, Esq., Matthias Slough, Esq., James Webb, Esq., William Atlee, Esq., William Henry, Esq., Mr. Ludwig Lauman, Mr. William Bausman, and Mr. Charles Hall be a committee to correspond with the general committee of Philadelphia; that these sentiments be immediately forwarded to the Committee of Correspondence at Philadelphia.

The gentlemen above named, after being chosen and appointed a Committee of Correspondence, resolved upon the following letter

to be transmitted to the committee of Philadelphia, directed to Mr. Charles Thompson, and is as follows, viz:

LANCASTER, *the 15th June, 1774.*

SIR: Agreeable to the request of the Committee of Correspondence for the city of Philadelphia, signified to some of the Inhabitants here, by your letter, we have this evening had a Meeting of the Inhabitants of this Town, (at which a great number attended) at the Court House, and unanimously gave their assent to the Resolves or Agreement inclosed. As taking the sentiments of the county could not be so expeditiously done by having a general Meeting of the Inhabitants, we thought best to give you those of the Town, and have the pleasure now to assure you that the Inhabitants of the county in general begin to entertain similar opinions within as to this matter, and will no doubt heartily concur in them at a Meeting which we shall endeavor as soon as possible to have with them. We hope you will give us intelligence of any matters worthy of notice, and be assured we shall do everything in our power to promote the General Interest.

We are, &c.,

EDWARD SHIPPEN,
JAMES WEBB,
MATTHIAS SLOUGH,
WILLIAM ATLEE,
WILLIAM HENRY,
LUDWIG LAUMAN,
WILLIAM BAUSMAN,
CHARLES HALL.

Ordered that *Eberhart Michael*, the clerk of this committee, do forward a copy of this day's resolves to Mr. Charles Thompson, the clerk of the committee at Philadelphia, with a copy of this letter, signed by him.

At a meeting of the Committee of Correspondence, appointed for the borough of Lancaster, the 2d of July, 1774, Edward Shippen, Esq., being chosen chairman: The committee taking into consideration the resolves of the respectable inhabitants of the city and county of Philadelphia, on the 18th of June last; as, also, the circular letters signed by the chairman of their said committee, the Honorable Thomas Willing, Esq.

Resolved, That they do most heartily concur with their brethren of Philadelphia, in the mode proposed for taking the sentiments of the good people of this Province, on the present alarming and critical situation of the American colonies; therefore,

Resolved, That notice be given to the freemen and inhabitants of this county with the utmost expedition, to choose a committee to

join with the committees of the other counties of this Province to meet at Philadelphia for the very great and useful purposes mentioned in the said resolves and circular letters; therefore,

Resolved, That the freemen and inhabitants of this county be requested to meet on Saturday, the ninth day of this instant, at two o'clock in the afternoon, at the court house in Lancaster, for the purpose aforesaid.

N. B. The said resolves of the committee at this meeting, being ordered to be printed, and the same after they were printed, signed by Edward Shippen, Esq., the chairman, were sent and put up at all public places in the county.

The following are the resolves and circular letter referred to in the foregoing resolutions:

"PHILADELPHIA, *June, 1774.*

"At a very large and respectable meeting of the freeholders and freemen of the city and county of Philadelphia, on Saturday, June 18, 1774, *Thomas Willing and John Dickinson, Esqrs., chairmen.*

"I. *Resolved*, That the act of Parliament for shuttting up the port of Boston is unconstitutional, oppressive to the inhabitants of that town, dangerous to the liberties of the British colonies, and that, therefore, we consider our brethern at Boston as suffering in the common cause of America.

"II. That a Congress of Deputies from the several Colonies in North America is the most probable and proper mode of procuring relief for our suffering brethren, obtaining redress of American grievances, securing our rights and liberties, and reëstablishing peace and harmony between Great Britain and these Colonies on a constitutional foundation.

"III. That a large and respectable committee be immediately appointed for the city and county of Philadelphia, to correspond with the sister Colonies and with the several counties in this Province, in order that all may unite in promoting and endeavoring to attain the great and valuable ends mentioned in the foregoing resolution.

"IV. That the committee nominated by this meeting shall consult together, and on mature deliberation determine what is the most proper mode of collecting the sense of this Province, and appointing deputies for the same to attend a general Congress; and, having determined thereupon, shall take such measures, as by them shall be judged most expedient, for procuring this Province to be represented at the said Congress, in the best manner that can be devised for promoting the public welfare.

"V. That the committee be instructed immediately to set on foot a subscription for the relief of such poor inhabitants of the town of Boston as may be deprived of the means of subsistence by the operation of the act of Parliament commonly styled the *Boston*

Port Bill—the money arising from such subscriptions to be laid out as the committee shall think will best answer the ends proposed.

"VI. That the committee consist of forty-three persons, viz: John Dickinson, Edward Pennington, John Nixon, Thomas Willing, George Clymer, Samuel Howell, Joseph Reed, John Roberts, (miller,) Thomas Wharton, junr., Charles Thompson, Jacob Barge, Thomas Barclay, William Rush, Robert Smith, (carpenter,) Thomas Fitzsimmons, George Roberts, Samuel Ervin, Thomas Mifflin, John Cox, George Gray, Robert Morris, Samuel Miles, John M. Nesbit, Peter Chevalier, Wm. Moulder, Joseph Moulder, Anthony Morris, junr., John Allen, Jeremiah Warder, junr., Rev. Dr. William Smith, Paul Engle, Thomas Penrose, James Mease, Benjamin Marshall, Reuben Haines, John Bayard, Jonathan B. Smith, Thomas Whaaton, Isaac Howell, Michael Hillegas, Adam Hubley, George Schlosser, and Christopher Ludwick. And after the first reading of the propositions that had been prepared for the meeting on Saturday, the 18th inst., and before they were put up separately, the Rev. Dr. Smith made the following *short address*, which is published at the desire of many:

"GENTLEMEN: The occasion of this meeting has been fully explained to you, and sundry propositions read, which are now to be separately offered for your approbation or disapprobation. But before you proceed to this business, it has been thought proper to submit a few things to your good judgment, with respect to the order and decorum necessary to be observed in the discussion of every question.

"It need not be repeated to you that matters of the highest consequence to the happiness of this Province, nay of all British America, depend upon your deliberations this day—perhaps nothing less than whether the breach with the country from which we descended shall be irreparably widened, or whether ways and means upon constitutional grounds may not yet be devised for closing that breach, and restoring that harmony from which, in our better days, Great Britain and her colonies derived mutual strength and glory, and were exalted into an importance that, both in peace and war, made them the envy and terror of the neighboring nations.

"While subjects such as these are agitated before us, everything that may inflame and mislead the passions should be cast far behind us. A cause of such importance and magnitude as that now under our deliberation, is not to be conducted to its true issue by any heated or hasty resolves, nor by any bitterness and animosities among ourselves, nor even perhaps by too severe a recapitulation of past grievances, but require the temperate and enlightened zeal of the *patriot*, the prudence and experience of the *aged*, the strength of mind and vigor of those who are in their prime of life, and, in short, the united wisdom and efforts of *all*, both high and low,

joining hand in hand, and setting foot to foot, upon the firm ground of reason and the constitution.

"Whenever party distinctions begin to operate, we shall give cause of triumph to those who may be watchful as well as powerful to abridge us of our native right. There ought to be no party, no contention here, but who shall be firmest and foremost in the common cause of America. Every man's sentiments should be freely heard, and without prejudice. While we contend for liberty with others, let us not refuse liberty to each other.

"Whatever *vote* is known to be now passed, upon full deliberation, and by the unanimous voice of this great city and county, will not only be *respected* through all America, but will have such a weight as the proudest Minister in England may have reason to *respect*. But if it is known to be a *divided vote*, or adopted hastily on some angry day, it will only be injurious to our own cause.

"What I have in charge to request of you is this—that if, on any point, we should have a difference of sentiments, every person may be allowed to speak his mind *freely*, and to conclude what he has to offer, without any such outward marks of approbation or disapprobation as *clapping or hissing*, and that if a division should be necessary, (which it is hoped may not be the case this day,) such division may be made in the manner desired by the *chairman*, with all possible order and decorum.

"The following is a copy of the circular letter sent by the committee for this city and county [Philadelphia] to the different counties in this Province:

"PHILADELPHIA, *June 28, 1774.*

"GENTLEMEN: The Committee of Correspondence for this city and county beg leave to enclose you copies of the resolves, passed at a very large and respectable meeting of the freeholders and freemen in the State House Square, on Saturday, the 18th inst. By the 4th of those resolves, you will observe that it was left for the committee "To determine on the most proper mode of collecting the sense of this Province in the present critical situation of our affairs, and appointing Deputies to attend the *proposed Congress*." In pursuance of this trust, we have, upon the maturest deliberation, determined upon the mode contained in the two following propositions, which we hope may meet with the approbation and concurrence of your respectable county, viz:

"1. That the Speaker of the Honorable House of Representatives be desired to write to the several members of Assembly in this Province, requesting them to meet in this city as soon as possible, but not later than the 1st of August next, to take into their consideration our very alarming situation.

"2. That letters be written to proper persons in each county, recommending it to them to get committees appointed for their re-

spective counties, and that the said committees, or such number of them as may be thought proper, may meet in Philadelphia at the time the Representatives are convened, in order to consult and advise on the most expedient mode of appointing Deputies for the general Congress, and to give their weight to such as may be appointed.

"The Speaker of the Assembly, in a very obliging and ready manner, had agreed to comply with the request in the former of these propositions, but we are now informed that, on account of the Indian disturbances, the Governor has found it necessary to call the Assembly to meet in their legislative capacity on Monday, July 18, being about the same time the Speaker would probably have invited them to a conference or convention in their private capacity.

"What we have therefore to request is, that if you approve of the mode expressed in the second proposition, the whole or part of the committee appointed, or to be appointed for your county, will meet committees from the other counties at Philadelphia, on Friday, the 15th of July, in order to assist in framing instructions, and preparing such matters as may be proper to recommend to our Representatives at their meeting the Monday following.

"We trust no apology is necessary for the trouble we propose giving your committee, of attending at Philadelphia; as we are persuaded, you are fully convinced of the necessity of the closest union among ourselves both in sentiment and action; nor can such union be obtained so well by any other method as by a meeting of the county committees of each particular Province, in one place, preparatory to the general Congress.

"We would not offer such an affront to the well known public spirit of Pennsylvanians as to question your zeal on the present occasion. Our very existence in the rank of freemen, and the security of all that ought to be dear to us evidently depend upon our conducting this great cause to its proper issue by firmness, wisdom, and unanimity. We cannot, therefore, doubt your ready concurrence in every measure that may be conducive to the public good; and it is with pleasure we can assure you that all the Colonies, from S. Carolina to N. Hampshire, seem animated with one spirit in the common cause, and consider this as the proper crisis for having our differences with the Mother Country brought to some certain issue, and our liberties fixt upon a permanent foundation. This desirable end can only be accomplished by a free communion of sentiments and a sincere fervent regard to the interests of our common country. We beg to be favoured with an answer to this and whether the committee for your county can attend at Phila., at the time proposed.

Signed by order of the committee,

THOMAS WILLING, *Chairman.*"

LANCASTER, *September 9, 1774.*

At a meeting of the committee of the county of Lancaster, at Lancaster, on the 9th September, 1774, Edward Shippen, Esq., in the chair.

The subscriptions received for the relief of the distresses of the poor inhabitants of the town of Boston, were laid before the committee, and it appeareth that the sum of one hundred and fifty-three pounds, fifteen shillings and two pence has been collected in the borough of Lancaster for the purposes aforesaid, that it being put to the vote whether the said sum should not be immediately remitted to Philadelphia to Mr. John Nixon, the Treasurer of the city and county of Philadelphia, to be laid out in such manner as the committee for the said city and county should think proper for the relief of our distressed poor brethren of the town of Boston, the same was carried in the affirmative, and Edward Shippen, Esq., the chairman, is requested to forward the said sum of money forthwith to Philadelphia for the purpose aforesaid.

At this time no proper account could possibly be had of the subscription papers of the several townships in this county.

The following letter was omitted entering in its proper place, and is as follows, to wit:

PHILADELPHIA, *June 29, 1774.*

"GENTLEMEN: Enclosed you will receive a printed circular letter signed by the chairman of our committee, and the resolves therein referred to, with some other printed papers. The use to be made of them, your own prudence and good judgment will suggest; we would be glad to hear as soon as possible from the committee for your county, and are

Your most humble servant,
WILLIAM SMITH.

Your assured friend,
ISAAC HOWELL."

To Edward Shippen and George Ross, Esq'rs., who are requested to communicate the enclosed papers to the other gentlemen of the committee.

Those gentlemen named and appointed at the meeting of the 9th of July last, attended the provincial convention at Philadelphia, on Monday, the 15th then next. And the proceedings, together with the resolves of that provincial committee, hath been inserted in the public papers.

LANCASTER, *August 11, 1774.*

At a meeting of the committee August 11th, they were informed that Joshua and Robert Lockharts, of this borough, shopkeepers, had brought to this town a quantity of tea, that have paid duty

under the late act of Parliament. A note was therefore sent to them by the committee requiring their immediate attendance. In consequence thereof, one of the partners called on the committee, but denied their having received any tea, but as this account by no means appeared satisfactory from several matters which escaped the partner attending, the committee did inspect their shop, and with some difficulty learned of a chest of Bohea tea, weight 349, neat weight, which they had bought from a certain merchant in Philadelphia. The committee, taking an account of all the marks of the case in which it was packed, removed the tea, and wrote to the committee of Philadelphia, who examined the matter, and it appeareth that this tea never had paid any duty, but was part of a seizure made by the Custom House and was afterwards purchased at a public sale by the original owner of it, as by a letter from the committee of Philadelphia, dated August 25th, wrote and signed by the Honorable Thomas Willing, the chairman, directed to this committee, appears; upon which, the said teas were returned again, and the said Lockharts were acquitted.

The Continental Congress held at Philadelphia, the fifth of September, 1774, continued to the 25th of October; the votes and proceading of which have since been published in the public papers, and printed also by a pamphlet containing the bill of rights, list of grievances, occasional resolves, the association, an address to the people of Great Britain, a memorial to the inhabitants of the British American Colonies, and petition to the King.

November 22, 1774.

The committee of this borough met and the following hand-bill by them ordered to be printed, and sent to, and put up at all the public places in this county, viz:

At a meeting of the committee of the borough of Lancaster; present, Edward Shippen, Esq., William Bausman, Charles Hall, Christian Voght, Sebastian Graff, Adam Reigart, Casper Shaffner, William Atlee, Peter Grubb, and Eberhart Michael, Edward Shippen, Esq., in the chair.

Several of the reputable inhabitants of this borough of Lancaster, having mentioned their dislike to Mr. Francis ———, having opened a dancing school in this borough, (at the present time) and that in their opinion the same was contrary to the eighth article of the Association of the Continental Congress, and requesting a meeting of this committee and their sentiments on the occasion. Upon consideration of the matter, it is the opinion of this committee that the said Mr. Francis ———, opening and keeping a dancing school in the said borough, comes within the meaning of the eighth article of the Association of the Continental Congress, and that the same ought, at the present time, during the unhappy dispute with the mother country, to be discontinued. And Mr. Francis ———, being sent for, waited upon the committee, and being informed of the sentiments of this committee, agreed and promised to break up and discontinue his said school.

Signed by the members above named.

A letter received from the Committee of Correspondence of the city of Philadelphia, dated the 22 December, 1774, directed to the committee of this place, of which the following is a copy, viz:

GENTLEMEN: By order of the committee of the City and Liberties of Philadelphia, we have the pleasure to transmit you the following resolves, passed this day with great unanimity, viz:

"That this committee think it absolutely necessary that the committees of the counties of this Province, or such deputies as they may appoint for this purpose, be requested to meet together in provincial convention as soon as convenient.

"That it be recommended to the county committees to meet in said convention, on Monday, the 23d day of January next, in the city of Philadelphia.

"From a view of the present situation of public affairs, the committee have been induced to propose this convention that the sense of the Province may be obtained; and that the measures to be taken thereupon, may be the result of the united wisdom of the Colony.

"The obvious necessity of giving an immediate consideration to many matters of the greatest importance to the general welfare, will, we hope, sufficiently apologize to you for naming so early a day as the 23d of January.

"This day the committee of this county met here. A letter from the Committee of Correspondence of the City and Liberties of Philadelphia, (meaning the same above,) was laid before them proposing a provincial convention, to be held at Philadelphia, the 22d instant. The letter being duly considered, the committee unanimously agreed to the proposed convention, and appointed Edward Biddle, Jonathan Potts, Mark Bird, Christopher Shultz, John Patton, Sebastian Levan, and Balzer Gehr a committee to attend the said convention, in behalf of this county. Another letter from the same Committee of Correspondence of the county of Berks, to the committee of this place, viz:

"READING, *5th January, 1775.*

"GENTLEMEN: Enclosed is an extract from the proceedings of the committee of this county, by which you will see that deputies are appointed to attend the proposed provincial convention.

"When we consider that our disputes are drawing fast to a crisis, and that the most cordial unanimity is absolutely necessary for our preservation, we cannot doubt but that your respectable committee will without hesitation appoint deputies to attend the provincial Congress. The neglect of any one county may have the most fatal consequences. And we well know the pleasure it would give our enemies to see even the appearance of a disunion at this very important time.

"The great consequence of this subject will, we hope, apologize for this freedom.

It appearing by intelligence from divers places and by the papers, that General Gage hath at length attacked the inhabitants of Massachusetts Bay, and killed and wounded many of them, and the latest accounts from England confirming the accounts that the Parliament of Great Britain are determined by force of arms to compel the Colonies to an abject submission to the late acts of the British Parliament, calculated to deprive the inhabitants of the Colonies of their inestimable rights and privileges, and that a formidable fleet and army are preparing to invade the Colonies or some of them; it is therefore thought proper to request a general meeting of the committee for this county, to consult and determine upon such measures as may be necessary to be pursued at this alarming crisis; and it is unanimously agreed that handbills be immediately printed and distributed throughout the county, requesting the members of the committee to meet at the house of Adam Reigart, in the borough of Lancaster, on Monday, the first day of May next, at two o'clock in the afternoon for those purposes, and Mr. Bailey is requested to print a sufficient number of handbills for this purpose, in the following words, to wit:

Whereas, The enemies of *Great Britain* and *America*, have resolved by force of arms, to carry into execution the most unjust, tyrannical, and cruel edicts of the *British Parliament*, and reduce the free born sons of *America* to a state of vassalage, and have flattered themselves from our unacquaintance with military discipline that we should become an easy prey to them, or tamely submit, and bend our necks to the yoke prepared for us.

LANCASTER, *November 9th, 1775.*

GENTLEMEN: Your letter of the 7th day of October last, directed to the committee of Lancaster county respecting the provincial muskets in the hands of the military associators and others in this county, has been laid before this committee and taken into consideration.

We find that the gentlemen who were the Committee of Correspondence, appointed by the late county committee, had upon the receipt of your letter, published and dispersed hand-bills throughout the county requiring the persons possessed of such muskets to bring them in at this time. As none are brought in, we beg leave to suggest to you some facts, relative to those arms, and wait your further directions.

After the troops raised by the Province in the late war were disbanded, a number of muskets and military accoutrements were lodged at a Mr. Carson's in Paxtang, where they remained without any notice or care being taken of them, until the unhappy disputes between Great Britain and the Colonies rendered it indispensably necessary for our safety to associate and arm in defence of our rights. The then committee of this county, upon hearing of those arms, requested some of their members to examine and send them down, intending an application to the Assembly to have them repaired at the public expense, and put into the hands of such associators as were unable to furnish themselves, and who were to give receipts for them to be returned, if not lost in actual service. At this time arms were sought for with great assiduity by every one who wished to be instructed in the military discipline. The inhabitants of Cumberland county, knowing also of the provincial muskets,

were beforehand with us, and having the first choice, took between sixty and seventy of the best of them (for which Mr. Carson has a receipt) leaving a parcel of rubbish which were sent to this town, consisting of barrels mostly without locks and stocks, and all of them so covered with rust that they were thought almost unfit for use, and scarcely worth repairing. Many of them were loaded and had probably been so for many years. Some of the poor associators here took the barrels, and with much labor had them cleaned. By the help of some old locks which about this time were found in a garret in this town (without an owner) and were distributed amongst them, they had them put into such repair as to serve them to exercise with. These persons have been at a considerable expense in putting them in the order they now are; and if they are deprived of them, are not able to purchase others. There are a few indeed of the best of the firelocks which we think could safely be trusted to for real service. To take the arms from the poor people under such circumstances would greatly damp their martial spirit.

We conceive it our duty to mention these things to the Committee of Safety. If that honorable Board, nevertheless, shall be of opinion that such firelocks will be of use and will direct in what manner the people who have been at expense in repairing them are to be reimbursed, we shall cheerfully exert ourselves to the utmost of our power in calling them in, and forwarding them to Philadelphia.

This, gentlemen, is the first opportunity we have had of answering your letter relative to the arms. Give us leave to assure you, it will afford us great pleasure to be instrumental in any degree to the safety of the city of Philadelphia. We feel very sensibly the situation of your citizens; we deem ourselves most strongly bound to give every assistance in our power to repel any attack which may be attempted against you, and humbly trust we shall not be deficient in the day of danger.

Your letter of the 19th October, came to our hands. According to your desire a proper guard from hence conducted Dr. Kearsley to York, and took a receipt for his safe delivery to the committee there. J. Brooks remains confined in our gaol. A sub-committee of twelve gentlemen residing in and near this town, has been appointed to see that your sentence and resolves respecting Brooks be carried into execution, and no person is permitted to visit him but in the presence of one or more of those gentlemen.

By order of the committee of Lancaster county.

The foregoing answer read at the table, was unanimously approved of, and it is ordered that the same be transmitted to the Committee of Safety by the first conveyance.

Adjourned until to-morrow, eight o'clock.

FRIDAY, *November 10th, 1775.*

The committee met according to adjournment.

Present: The same members who attended yesterday, and moreover Joseph Lytle for Rapho township.

Upon motion,

Resolved, That in case any of the gun-smiths, in the county of Lancaster, upon application made to them by the members of the committees of the respective townships to which they belong, shall refuse to go to work and make their proportion of the firelocks and bayonets required of this county, by the honorable House of Assembly, within two weeks from such application agreeable to the patterns, at the Philadelphia prices, such gun smiths shall have their names inserted in the minutes of this committee as enemies to their country, and published as such, and the tools of the said gun-smiths so refusing shall be taken from them, and moreover the said gun-smiths shall not be permitted to carry on their trades until they shall engage to go to work as aforesaid, nor shall leave their respective places of residence until the arms are completed.

And it is further resolved, That the Committee of Correspondence and Observation do take especial care that their resolves be carried into execution.

Christian Isch and Peter Reigart appeared in committee, and agreed to set to work on Monday, the twentieth day of November instant, and make muskets and bayonets for this county, (part of the number required from this county, by the honorable House of Assembly,) at the Philadelphia prices; and that they will confine themselves to that work entirely from that time to the first day of March next, and furnish as many as they can possibly complete in the time, and deliver the same to the commissioners of the county or this committee.

Michael Withers appeared in committee, and agreed to set to work as soon as he hath completed a few guns which he hath now in hand, and make muskets and bayonets for this county, (part of the number required from this county by the honorable House of Assembly,) at the Philadelphia prices; that he will confine himself and his workmen to that work and carry on the same as expeditiously as he can, and that he will deliver in to the commissioners and assessors of this county or to this committee as many muskets.

[Here the minutes of the Committee of Correspondence abruptly terminates. It is supposed that they were in possession of Jasper Yeates, chairman of the committee.]

CAPTAIN JOHN REED'S COMPANY.

[Capt. John Reed, the commander of the following company during the Jersey campaign of 1776 77, was the son of James Reed, who located near the mouth of Powell's creek, Lancaster, now Dauphin county, probably as early as 1728. On maps prior to 1800, the location is marked "Reed's." John Reed had been a ranger on the frontiers during the French and Indian wars, and when the war of the Revolution came he was ready for the conflict. He organized the company of associators which is herewith given, and was in service until after the battles in and around Philadelphia. Capt. Reed died in 1789.]

CAPTAIN ALBRIGHT DEIBLER'S COMPANY.

John Hoffman, and under him they were on the frontiers, protecting the defenceless inhabitants from the encroachments of the Indians and Tories who had their headquarters in southern New York, and against whom Gen. Sullivan's army was successfully sent in 1779.]

DONEGAL, *November 22, 1778.*

LANCASTER COUNTY, *ss:*

I do hereby certify that the persons whose names are above written have taken and subscribed the oath or affirmation of allegiance before me as directed by an act of Assembly of this State. Given under my hand and seal the day and year above written.

JAMES BAYLEY, J. P. [SEAL.]

MARCHING ORDERS, 1777, 1778, 1779.

PRESIDENT WHARTON TO COL. GALBRAITH.

PHILADELPHIA, *April 25th, 1777.*

SIR: Agreeable to the enclosed resolve of Congress, and with the Advice of the Board of War, I have determined that the Counties of Philadelphia, Bucks, Cumberland, Berks, and Northampton, send their Proportion of Militia to Bristol, to form a Camp at or near that Borough The Counties of Chester, Lancaster, and York, to form a Camp at or near Chester.

Your County is to furnish six hundred Men, to march immediately to Chester with as many arms and accoutrements as can be had in the County. If the first Class does not amount to that number, the second Class also are to march.

You are to procure by purchase or otherwise a Blanket for each Man (which is to remain the property of the State,) money will be sent you for this purpose. If they cannot be procured by purchase they must be impressed by their value paid, this is to be done in a way that will give the least offence.

You are to exert yourself to the utmost to Comply with this Order with all possible expedition, as the Enemy are preparing to make an immediate attack on this State.

I have the honor to be, with great respect, Your most Obedient, humble Servant,

THO. WHARTON, JR, *Pres't.*

TO BARTREM GALBRAITH, ESQ,
Lieutenant of the County of Lancaster.

COL. GALBRAITH TO COL. ROGERS.

May 2d, 1777.

SIR: Annexed hereunder you have the President's requisition for Six Hundred men from this County, the Irregular order that returns have been made in, Prevents me from calling on you for your exact Quoto of men. I desire that as soon as your Companies which

form your Battalion have drawn their rank, that you furnish one full Company agreeable to the Militia Act, on the President's requisition without delay. Nessesaries that are wanting, you see will be answered.

In haste I am your Humble Serv^{t},

BARTREM GALBRAITH.

To the Colonel of the Hanover Battalion.

COL. JOSHUA ELDER TO COL. ROGERS.

PAXTANG, *11th May, 1777.*

DEAR SIR: Yours I rec^{d} last Night but cannot possibly comply with your Request, as we have too much Divisions in this Department, the five Sub divisions laid off in Paxton met tolerably well except the Germans, who seem chiefly all to stand aloof, three of the Companies chose their officers very well, and the other two neglected. There was no disputes about pay, but one of them seemed all desirous of being officers, and the other all Privates; declining any commissions that were offered. I have promised my attendance in one of these Companies to-Morrow; as to the Dispute about pay, I think if they would have the least Consideration, might be soon removed, it might answer well enough to draw out a few men when there was no compulsion nor Law to put every Man on an equal Ballance in expense of the War, but as the Law is regulated at present, except the whole State in general, or at least the whole Battalion would condescend to that Plan, it would be in vain for one Company to pretend to it, except they would think themselves wiser Law makers than the Choice of the State, because each Company or Draught is made out of the whole Battalion, and if they should deviate from the Laws of the State, they would be a Derision to all the rest. You can Inform them that if they don't choose for themselves, the Lieutenants will be under the Necessity of choosing for them. And you will be good enough to consider and inform yourself what Men will be most likely to suit, if that should be the Case, that you can recommend them to us. I had a letter from Col. Galbraith last Night Desiring I would give you Word to bring the Report of your Battalion, Companies, Rank, and Draughts to him at Lancaster next Wednesday, and draw for Rank with the other Colonels.

In haste I am your H'ble Servant,

JOSHUA ELDER.

COL. JOHN ROGERS.

COL. GALBRAITH TO COL. ROGERS.

LANCASTER, *May 15th, 1777.*

SIR: In consequence of your late Orders from me to hold the first Class of each Company in your Battalion in Readiness, with arms and properly Equipt with every other Necessary for your Immediate March to Chester on the Delaware, I Desire that such who fall into that Draught, and Conscienciously scruple the bearing of Arms, may be reported to me by you, or your Order Immediately, that I may find Substitutes in their Room and Stead, and at the same Time make to me a list of such who may be willing to serve as Substitutes within your Bounds. Which orders, you'll on all Occasions of the like kind, observe.

I have the Honor, Sir, to be your Humble Servant,

BARTREM GALBRAITH,
Col. Commandant.

To COL. JOHN ROGERS, *of the Sixth Battalion of Lancaster County Militia.*

COL. JOSHUA ELDER TO COL. ROGERS.

PAXTANG, *May 29th, 1777.*

SIR: I have just now got Orders from Col. Galbraith to desire you, by the first Opportunity, to hold the first Class in your Battalion under Marching Orders, ready for further Orders, he was this Day to set out for Philad^{a}, and will give you further Particulars on his Return.

I am your Humble Servant,

COL. JOHN ROGERS. JOSHUA ELDER.

COL. GALBRAITH TO COL. JOSHUA ELDER.

LANCASTER, *June the 18th, 1777.*

SIR: Since my last to the different Colonels (which by this Time I expect you're made acquainted with) on my way to Lancaster met with an Express from the President ordering the March of the second Class, & to hold the 3^{d} in Readiness, of which, By this my order, I hope you'll Notice your Brother as well as Col. Rogers's Battalion on that head, that 2 Classes must Immediately March & the 3^{d} held in Readiness.

In haste I'm y^{rs} &c,

COL. JOSHUA ELDER. B. GALBRAITH.

COL. JOSHUA ELDER TO COL. ROGERS.

PAXTANG, *20th June, 1777.*

SIR: The above is a Copy of a Letter from Col. Galbraith, which I rec'd late last Night, by which you see there's the greatest Necessity for our utmost Exertions. I rec'd a verbal Message from Major Brown of y^r^ Battalion to attend an Appeal to be held at Hanover next Monday, I would be glad to be informed at what Time I should attend, or if you are to have the Lieutenant, or another Sub Lieutenant & Magistrate or by the Lieutenant's orders as we must Endeavour to walk in as straight a Line as possible upon these occasions, or if I con'd be excused, as I shall have enough to do in this Battalion to procure substitutes, there being so many Germans all of whom refuse going. O their Clay cold heads, & Luke warm hearts. Sir, by all that's dear & sacred to us, let me entreat you not to spare the least pains to dispatch your Classes, & if you feel the Loss & Trouble of it now, I hope you'll find the Honor & Benefit of it hereafter.

I'm, Sir, y^r^ h'ble servant,

JOSHUA ELDER.

COL. JOHN ROGERS.

COL. GALBRAITH TO COL. ROGERS.

DONEGAL, *16th June, 1777.*

SIR: In consequence of Orders from the President of the Executive Council of the 13^th^ Inst^t^. as well as from Generals Mifflin, Armstrong & Potter of the 14^th^ at night, requesting the March of the Militia, and giving me information of General How's Army rapidly Marching thro the Jerseys, being at Rockey run 5 Miles from Princeton on Saturday last, Do order you, with all expedition to get in readiness (agreeable to former orders) the first Class of your Militia to March to Chester on Deleware, and notify the Second Class to hold themselves in readyness to March at a Moment's warning. You must agree with Substitutes in the room of those who deny Marching, (notwithstanding my Publication) at such rates as you can, with the advice of the nearest Sub-Lieutenant who's agreement shall be Confirmed by me and at the same time take Care that no Substitutes are taken out of the Second Class for the first. The

Cityzens of Philad[a] have made up all variances & marched Yesterday Morning unanimously in defence of their Country. In a word, Sir, I hope you'l not loose a moment's time in doing the necisary. Everything will be provided for the men at Lane[r] or at the Camp, except Blankets.

I'm in the greatest haste, Sir, your Humble Serv[t],

BARTREM GALBRAITH, *Col.*

To Col. John Rogers.

COL. GALBRAITH TO COL. ROGERS.

Donegal, *20th June, 1777.*

Sir: By a letter from the President in Council of the 25[th] Inst, rec[d] this Morning, Countermands the March of the first Class of the Militia, on the retreat of General How's troops from Summerset & Brunswick to Amboy & Staten Island, yet at the Same time to hold in readiness at a moment's warning, as no doubt they may be soon called, Should How attempt our Capes. I have wrote to the President & expect in a few days his answer, when you'll receive Particular orders from me. Continue Such Substitutes as are already provided for the protection of the civil Authority, but recommend to the Majistrates to proceed only to collecting of the fines for days of exercise, for a few days, until the President's Answer comes to hand. I have sent a few Notices amongst you which I expect you'll Observe. When I was in your Country our people had a brush with a number of riotors in which one of our people was killed by the Stroak of the Coalter of a Plough & three of the others wounded, which I hope will be the means of putting a Stopp to other Insurrections of the like kind.

In haste, rest your Humble Serv[t],

BARTREM GALBRAITH, *Lieutn[t].*

To Col. Rodgers.

COL. GALBRAITH TO COL. ROGERS.

Donegal, *July 15th, 1777.*

Sir: Yours of yesterday came to hand by Captain Hay, which Surprises me no little, to find that uneasiness should be now arrising amongst you, at the very time it ought not to subsist.

By Capt. Hay I have sent you the rules by which the Continental

Armey is governed, to which every Officer & Soldier now with you is subject (or ought to be) which you'l cause to be read at the Head of the Company for their Instruction as to that of their duty, that should they offend, or goe out of the line of duty it may not be unknown to them, as I'm determined if in my power to preserve good order. You will call or appoint the men to meet twice a week at your house or elsewhere as you shall see meet, to receive their farther Instructions which shall be handed you from me, as the exigiency of affairs may require, but at the same time they (the Soldiers) are to take care that no expense is accrued to the State for their mentainance during such Intervals, their hands must clear their teeth. As the President has put it in my power to continue the guard at my pleasure, I do think proper to continue the Substitutes until the civil authority has no further demand for us; it's not the business of this, that, or the other Class, how the present Class, serves their tower of duty or yet the people for whom they are Imployed; as the house of Assembly has appointed me the drudge in that respect, for those very mute good People, & have boren the burthen for them, I'm also determined that they shall give me a Liberty to Judge for them, so that if they make use of Language let it be amongst themselves, as I hope ever to be able to act agreeable to my duty without Partiality to Persons while in my present station. I hope the Substitutes will behave themselves becoming men of candour and probity. I'm their mark for their wages.

In haste, yours &c.,

BARTREM GALBRAITH, *Lieut.*

COL. JOSHUA ELDER TO COL. ROGERS.

PAXTANG, *July 22d 1777.*

DEAR SIR: I yesterday came from Col. Galbraith's where we fixed on having a Day of Appeal in your Battalion: Inclosed I have sent you a copy of an advertisement which you'll be good enough to put up in the most Public Places, & fix the Place of meeting at the most convenient Place as near the Centre of the Battalion as possible.

I am in the meantime your most humble servant,

JOSHUA ELDER.

COL. JOHN ROGERS.

COL. GALBRAITH TO COL. ROGERS.

SUNDAY MORNING, 4 O'CLOCK, *3d August, 1777.*

SIR: In Consequence of the President's alarming Intelligence to me rec[d] late last night, of the enemy's near approach to our Metropolis, dated the 28th & 31st Ultimo, I order you by all the ties of Virtue, Honour & Love of your Country, as freemen, determined to defend & protect your enestimable & just Rights & Privileges, to march without Loss of time the First, Second & Third Class of your Battalion to Chester on Delaware, every man provided with a Blanket, and Arm as many as within the Bounds of your to call for your People, agreeable to the President's letter of the 28th. You see that, that of the 31st call, for all such who value the freedom of their Country to turn out as Voulentiers, which I hope will be sufficient to Induce every good man without my further Arguments, & hope that the forwardness of your Battalion in this respect will crown them with honour in a future day. I have sent you coppies of the President's letters which will the better enable you to proceed in this Business, & to which I hope you'll conform. Provide Waggons for your Baggage with whom I will Settle & Pay. I need not use further Arguments with you, as our Hearvists are in; now or never is the day that the Love of our Country will appear in us, & rest, yours with best wishes for the most Generous Sentiments of your Battalion on this Action, &c.

BARTREM GALBRAITH, *Lieu[t].*

COL. JOHN ROGERS.

Lancaster County.

Any arms that may be wanting will be had at Chester. Such of the 2 or third Class that may be employed as Substitutes answer for themselves from this day.

B. GALBRAITH.

COL. GALBRAITH TO COL. ROGERS.

DONEGAL, *5th August, 1777.*

SIR: By Mr. Willson & another young man I rec[d] yours dated this day, in regard to an Election of one of your Companies; true the mode on which they have proceeded in their task is unprecidented, but yet at the same time it is out of my power to Publish another Election for them, but it is yours; as you have not as yet made a general return to me of your Battalion, it is in your Power to accomodate small differences of that kind before you make such

return to me. The above is what I would recomend to you in the present matter immediately, for should I notice them on such an occation, I might do nothing else through the county.

You ought to give the officers of each Draught as they march their orders, until they meet their Commanding Officer; to draw rations from the Commissarys of the Continent until they arive at camp &c^{a}, take every means to please your people, that you can consistant with the Law.

I'm, Sir, yours &c.,

BARTREM GALBRAITH, *Lieut.*

COL. GALBRAITH TO COL. ROGERS.

DONEGAL, *August 10th, 1777.*

SIR: Having the opportunity of M^{r}. Barnet am to let you know that you ought to desire your people to provide their own rations until they arrive to Lancaster, as the publick Houses are entirely run out of Provisions & they are not to be had for money, so that the people who march will be disapointed unless they provide themselves; it's a matter that will be easiely don as their Baggage Waggons to come along. Sir this you'l take particular care of.

I rest your H'ble Serv^{t},

BARTREM GALBRAITH,
Lieut. L. County.

To COL. RODGERS.

Now as your Battalion has always been understood to be in that District I expect you'll pay particular attention to the above orders & have your Battalion duly Notified & in the utmost Readiness until further orders—He

& M^r. Atlee likewise Inform me that it is the orders of the Board of War to have the Prisoners removed from Lancaster to Reading & Lebanon. You'll therefore have all the Hessian Prisoners (& others if any) in y^r Battalion Collected as soon as may be & sent to Lebanon under a proper Guard where Mess^rs. Ort, C. Grub & Thom will Receive them & take Charge of them, you'll take Care to keep a List of the Prisoners & let the officer of the Guard take these Gentlemen's Rec^t for them & how many when Delivered & forward the List to me. I imagin the Prisoners, if any in your Bounds, are Chiefly among the Menonists, which will require you to be very particular in Collecting them as no Doubt many of them will Endeavour to Conceal them if possible.

I am Sir with the utmost Regard,

Y^r very Humble Servant,

JOSHUA ELDER.

COL. JOHN ROGERS.

COL. GREEN TO COL. ROGERS.

TO COL°. JOHN RODGERS.

COL. GALBRAITH TO COL. ROGERS.

DONEGAL, *9th of October, 1777.*

SIR: When I seen you last, forgot to let you know that the President requested me to procure a Troop of Light horse if Posable, for which purpose have called on each Colo. for four from his Batt^{n}; they are to provide their own horses & and they must be Intelligable people, young men of Credit on whom we can depend for their Integrity — an answer to this I hope you'l soon be able to Give — it is to be hoped that your people will turn out generaly to the ensueing Election, a ticket is to be settled to-morrow & opportunity did not serve to give you timily notice, but hope that those called into Service from your quarter may answer that end. By all means excite your people to turn out, as there may perhaps be something to fear from those who we know has hitherto been Inimical to our Cause.

I am your Assured friend and Humble Serv^{t},
BARTREM GALBRAITH.

N. B. A Court of Apeal will be soon held in your Batt^{n} of which you'l get notice soon.

COL. GALBRAITH TO COL. ROGERS.

LANCASTER, *25th Oc^{r}, 1777.*

SIR: General Washington hath written to the Council in the Most pressing terms, for a more effectual Aid of men & arms than has hitherto been afforded him; expressing his great surprise to see the good people of this Commonwealth so backward to take the field in their own defence. In concequence of which the Council has called on me for the Sixth & Seventh Class of the Militia from this County to March Immediately to Camp, equipped each man with a Blanket & what Arms can posably be collected let them belong to whom they will. This you'l please to take notice of & perform with prudence & care agreeable to former orders given you by me. Provided the above class's do not turn out as they ought, I'm also Authorized to call out the next two Succeeding Class's & march them to Camp.

I could wish that you would recomend to your People to lay aside every little tho^{t} of offending their Neighbors by being Active in turning them out in their Class's; if they do not, the concequence is, that the burthen delinquents ought to bear, Must be heaped on our own Shoulders; a glaring instance of this you have in the two

last Class's called for here, which must be the Eighth & first. Let us then follow the example of the Eastern Militia & Serve How & his Armey, as they have Burgoyne & his under General Gates, which if we turn out is in our power positively, unless kind Providence has otherwise determined. Council also requests me to Invite all who will turn out as volunteers, that their Services will be thankfully rec[d] and recompenced; and that the Same time those who have heretofore omitted going in their respective Class's, that will now turn out, their Services will be rec[d] as a full Compensation for their former neglect. Here I leave you, with my sincere wishes that the Spirits of your People may be so Animated on the late Success of our American Arms, (beyond everything to be looked for) that they will turn out to a Man, as called for, & wipe away the Stigma now at our doors.

I am with respect your Humble Serv[t],

BARTREM GALBRAITH,

COL. RODGERS. *Lieu[t]. Lancaster County.*

NOTICE OF APPEAL.

June 6th, 1778.

Publick Notice is once more given the Inhabitants of Col. Rogers' Battalion, that Tuesday, the 16th Ins^{t}, is appointed for an Appeal to be held at John Thompson's, in Hanover Township, for such who are agrieved by the present Militia Law. It's hoped that Attendance will be given, as this will be the last opportunity of the kind for the Delinquents of last year.

JOSHUA ELDER,

S. Lieut. Lanc^{r} County.

COL. JOSHUA ELDER TO COL. ROGERS.

MIDDLETOWN, *16th July, 1778.*

SIR: In Pursuance of Orders from Col°. Galbraith I must request you will without Loss of Time call out the 2', 3' & 4th Classes of your Batt". to march to Sunbury against the Indians, to meet at Garber's Mills next Tuesday where they will be supplied with Arms & Ammunition; any who have Arms of their own let them bring them lest there may be a Scarcity, & let every Man bring a Sicle if possible as the Salvation of the Crops in Northumberland would pay the Expence of the whole Expedition. Let the Delinquents of the first Class & every other Person know that if they turn out on this Important Occasion & perform a Tour it will be allowed as their Tour let their class be what it will.

I suppose you will Rendezvous in your Batt". on Monday you'll be good enough to send an Express to Col. Ort & Justice Green to attend & give the people an Opportunity of an Appeal, as I must attend in Paxton. I'm thus far on my Return from Philad". & expect the Congress will fully consider the Distresses of our Frontiers. I cou'd give you Details of News as long as my Arm if Time wou'd Admit. Every thing from that Quarter bears the most favorable Aspect, the French Fleet arrived off the Delaware Capes last Friday with the French Ambassador on board, the Reception of whom, & the reading of so many Packets & Expresses as came to hand took up the Congress Time so that it was not in their Power to go into that business before Tuesday. The Fleet took three English Battle Ships on their Arrival in Chesapeak Bay & our Capes & proceeded Immediately to New York after the Enemy. You may be asur'd there's warm work there before this Time.

I am Sir y' hum' Serv',
JOSHUA ELDER.

COL. JOHN ROGERS.

COL. GALBRAITH TO COL. ROGERS.

LANCASTER, *August 7th, 1778.*

SIR: Inasmuch as it appears that the Number of Militia demanded from this County have not turned out to March to Sunbury agreeable to their late Orders, have thought proper to give them one other Chance before their Fines are distrained from them on Account of their late Delinquency; Therefore such who will now turn

out on a Short Day's Notice to be by you appointed, & March to Sunbury as directed heretofore shall be excused Their late Fines of this Year, for which Purpose you are to Notice the Marching Classes & that the People have no Complaints of not being Notified for the future, as the Officers, for such Neglect, may Depend upon being prosecuted on proper Information made.

PHILAD^{A}, *1 Octob^{r}, 1775.*

GENTLEMEN: We are informed that there are some of the Provincial Muskets in the hands of the Military Associators and others of your County. The present gloomy prospect of Americans affairs and the daily expectation there is of some Ships of War being sent to awe & intimidate if not to destroy this City (as we are informed) makes it consistent with our duty to take every method in our power to render ineffectual all their hostile and tyranical purposes nor have we neglected or left any probable means unessayd to put this City & Province in a compleat posture of defence. But unhappily we find that when we have built & equipped a number of Boats of War and nearly manned them with their compliment of men we are destitute of small arms to furnish them with, nor is it in our power to procure any either by purchase or otherwise. This lays us under the necessity of applying to you with a request that you will call in the said Provincial arms and send them to this Committee with all the Expedition & dispatch in your power. Your performance of this request will manifest your attachment to the generel interests of the Colony, give confidence to those that are most immediately exposed to the insults of the enemy and encourage a vigourous opposition. Any expences that shall accrue by the performance of this desire will be defrayed by this Committee.

By order of the Committee of Safety.

THE GENERAL COMMITTEE TO THE LANCASTER COMMITTEE.

PHIL^{A}, *19th Oct^{r}, 1775.*

GENTLEMEN: The Committee of Safety confiding in the zeal of the Inhabitants of Lancaster County, in support of those Rights which America is reduced to, the unhappy alternative, either of Sacraficeing to lawless ambition or Defending at the risque of all that is Valuable, have therefore determined to send to your care

under a Guard a certain I. Brookes who has been Convicted of holding a traiterous Correspondance with some of the British Ministry, and of having Communicated Intelligence, that has a tendency to exasperate them against the Americans and provoke them to an Invasion of this Colony requesting that you will keep his Person in safety from any acts of Violence, and see the Sentence of this Committee put in execution, a Copy of which you have inclosed.

Under the same guard we have sent Doc[r] John Kearsley (Convicted of Similar offences) who is Ordered to be Confined in York-Town. We request that you will appoint a Suitable Guard (to relieve those who escort him from this City) to Conduct him in Safety to York-Town, and Deliver him to the Care of the Committee there.

A state of the Evidence exhibited against them with the nature of their crimes is intended shortly to be published, Copies of which will be transmitted to you.

By order &c.

THE LANCASTER COMMITTEE TO ROBERT MORRIS.

LANCASTER, *November 9, 1775.*

GENTLEMEN: Your Letter of the 7th Day of October last directed to the Committee of Lancaster County, respecting the Provincial Muskets in the Hands of the military Associators & others in this County, has been laid before this Committee, and taken into consideration.

We find that the Gentlemen who were the Committee of Correspondence, appointed by the late County Committee, had upon the Receipt of your Letter, published & dispursed Hand Bills throughout the County requiring the Persons possessed of such Muskets to bring them in at this Time. As none are brought in, We beg leave to mention to you some Facts relative to those arms, & wait your further Directions.

After the Troops raised by this Province in the late War were disbanded, a number of Muskets & military Accoutrements were lodged at a Mr. Carson's in Paxtang, where they remained without any Notice or care being taken of them, until the unhappy Disputes between Great Britain & the Colonies rendered it indispensibly necessary for our Safety to associate & arm in Defence of our Rights. The then Committee of this County upon hearing of those arms, requested some of their members to examine them & send them down, intending an application to the Assembly to have them repaired at the public expense, and put into the Hands of such Associators as were unable to furnish themselves, and who were to give Receipts for them to be returned, if not lost in actual Service. At this Time, arms were sought for with great assiduity by every one who wished to be instructed in the Military Discipline. The Inhabitants of Cumberland County knowing also of the Provincial Muskets, were beforehand with us, and having the first choice took between sixty and seventy of the best of them, for which Mr. Carson has a Receipt) leaving a Parcel of Rubbish which were sent to this Town, consisting of Barrels mostly without Locks & Stocks, and all of them so covered with Rust, that they were thought almost unfit for use, & scarcely worth repairing. Many of them were loaded, and had probably been so for many years. Some of the poorer Associators here took the Barrels, & with much Labour had them cleansed. By the Help of some old Locks, which about this Time were found in a Garret in this Town (without an owner) and were distributed amongst them, they had them put in such Repair as to serve them to exercise with. These Persons have been at a considerable expence in putting the arms in the order they now are, and if they are deprived of them are not able to purchase others.

There are few indeed of the best of the Firelocks, which we think could safely be trusted to for real Service.

We conceive it our Duty to mention these things to the Committee of Safety. To take the arms from the poor People, under such circumstances would greatly damp their martial spirit. If that Honourable Board nevertheless shall be of opinion that such Firelocks will be of use, and will direct in what manner the People who have been at the expence of repairing them, are to be reimbursed, we shall cheerfully exert ourselves to the utmost of our Power in calling them in and forwarding them to Philad^{a}.

This, Gentlemen, is the first opportunity we have had of answering your Letter relative to the arms. Give us leave to assure you it will afford us great Pleasure to be instrumental in any Degree to the Safety of the City of Philadelphia. We feel very sensibly the Situation of your Citizens. We deem ourselves most strongly bound to give every assistance in our Power to repel any attack which may be attempted against you, and humbly trust we shall not be deficient in the Day of Danger.

Your Letter of the 19th October came to our Hands. According to your Desire a proper Guard from hence conducted Dr. Kearsley to York, and took a Receipt for his safe Delivery to the Committee there. I. Brooks remains confined in our Goal. A Sub-Committee of twelve Gentlemen residing in & near this Town has been appointed to see that your Sentence & Resolves respecting Brooks be carried into execution, and no Person whatever is permitted to visit him, but in the Presence of one or more of those Gentlemen.

By order of the Committee of Lancaster County.

Nov. 17, 1775.

GENTLEMEN: We have considered your respectful answer to our application for the publick arms in the County of Lancaster and are fully satisfied with the reasons you assign for retaining them for the use of the poor Associators in said County, and have only to acknowledge your zeal in the public Cause and to desire you will send to us the names of the persons in whose hands the arms are left, that it may be known where to apply for them on any emergency and that publick property may be taken care of.

We also acknowledge your care in carrying our Resolves respecting Kearsley & Brooks into execution & we are Gentlemen.

LANCASTER, *December the 9th, 1775.*

GENTLEMEN: After the repeated intercessions of I. Brooks, the Prisoner sent to this Goal by the Committee of Safety, that he might be permitted to write to some Friend in England, relative to his private affairs there, and that he might be indulged with inclosing that Letter to Coll°. Roberdeau. The Committee here have ventured to indulge him, and forward the inclosed Letters, (which have been wrote by him in the presence of some Members of this Committee)open, for the perusal & Consideration of the Committee of Safety, who will either suppress or forward them as they shall think proper.

This Committee have gratified him thus far (altho' it seems contrary to the directions of the Committee of Safety) in hopes that he might have made some interesting discoveries. If any further favours of this kind are not to be granted to him, the Committee here will in future refuse him, and if in this instance they have done amiss hope to be excused. Great care hath been taken that no Pen, Ink or Paper hath been used by him except that made use of in writing these Letters, and in every other respect the Committee may be assured that their directions as to him have been punctually observed.

LANCASTER, *Dec. 30th 1775.*

DEAR SIR: It is with great reluctance I now take the Liberty to beg your attention, well Knowing that every moment of your Time is taken up in the Service of your Country, But Justice to the bearer Captain Samuel Atle will not permit me to be Silent. He waits upon the Committee of Safety of this Province for their Recommendation to the Honourable the Congress to the Command of one of the Battalions now to be raised.

I have the Pleasure of a long acquaintance with him and am Realy at a loss for Words to express my regard for him. He is a gentleman universally Esteemed by his acquaintances & Neighbors a very warm Friend to the American Cause, and as to his Knowledge in the Military Arrangement, I am Convinced there are few in the Province who Excell him. Colonel Miles is well acquainted with him and his abilities in this Department, they having Served in the same Regiment in the Service of this Province for several years during the last War, to whom referr you on this head. And should Cap'. Atle be so happy as to merrit the Recommendation of the Committee of Safety I have not the most remote doubt but he will Do Honour to the appointment.

Hope you will pardon me for Taking up so much of your Time; if Consistant with your Judgement favour Cap'. Atle with your Friendship and believe me,

Dear Sir, your most Humble Servant,

THE GENERAL COMMITTEE TO THE LANCASTER COMMITTEE.

PHILADELPHIA, *January 12th, 1776.*

GENTS: The Committee of Safety have published a process for the making of Saltpeter, which they hope will induce the Inhabitants of the Colony generally to set about the Work, but as no Description however exact can so fully answer the purpose of Instruction as an actual Exhibition of the Process the Committee have resolved to employ a Number of Persons to go through the County to instruct the People in this Necessary Branch of Manufacture. It is therefore requested of you to send two Persons to this City to obtain a competent Knowledge of the Method practiced at the Saltpeter Work here, that they may be qualified to exhibit the Process to such Inhabitants of your County as are desirous of being useful to their Country at this important and dangerous Crisis of our Affairs. It is referred to you to make such agreement for the publick with the persons you employ on this Service as you may think just and reasonable. Their expenses to and from the City and while they remain here for Instruction will be also allowed by the Committee of Safety.

THE LANCASTER COMMITTEE TO THE GENERAL COMMITTEE.

IN COMMITTEE, LANCASTER, *January the 29th, 1776.*

GENTLEMEN: The Committee have your two favours of the 10th instant, and agreeable to your request have appointed Doctor Fredrick Kuhn of the Borough of Lancaster to receive, for the publick Use, the Salt-Petre which shall be made in this County and as they have notified their appointment to him, he is ready to receive the Orders of the Committee of Safety as their Officer for this purpose. We have also given publick Notice (by Hand Bills) to the Inhabitants of this County of this appointment and at the same time have mentioned our being ready to receive the proposals of any Persons who shall be willing to go from this County to the Salt-Petre Works in Philadelphia for instruction, that they may be qualified to exhibit the process to such Inhabitants of the County as are desirous of engaging in that necessary work. Should any Persons offer, or should we have knowledge of any who are willing & proper to be employed in this Service, we shall give them every encouragement & forward them to Philadelphia agreeable to your directions.

We observe by the Orders to the Officers recruiting here for the Continental Army that they are at liberty to take all able bodied Men between 16 & 50, bought Servants excepted. Under these orders the Gentlemen recruiting here have inlisted several Apprentices in this Town, and amongst them, some of the Gunsmiths' Apprentices. The necessity of keeping our Gunsmiths busily employed in finishing the Arms required to be furnished by this County and the assurances we had that many of the Gunsmiths' Apprentices intended to inlist (which upon examination we found to be so) induced us to interfere. We have prevailed upon Cap^{t}. Hubley to permit the Gunsmiths' Apprentices whom he had inlisted to return & work with their Masters & have his promise with that of the other Gentlemen recruiting in this Town not to take any more of them untill we can receive the opinion of the Congress or the Committee of Safety on this subject. The Gunsmiths assure us that if their apprentices or Servants who are employed in that Business are taken from them, they cannot go on with their work. We have them all now busily employed and many of their apprentices are exceeding good Workmen. We therefore beg the Sentiments of the Committee of Safety as to this matter and if an order of Congress is thought proper and necessary to prevent the inlistment of these Apprentices, request the Committee will procure it & order it to be forwarded to us, that we may quiet the Minds of the Gunsmiths, who are very uneasy, and would be glad of an excuse to lay by the Musket Work & make Rifles, which are more profitable for them.

In procuring these Apprentices to be sent to work with their Masters and in preventing the enlistment of others (until the Sentiments of the Congress or Committee of Safety shall be known to us) we have acted with a view to the real Interests of our Country & hope the approbation of the Committee of Safety with their directions how to conduct ourselves in this Matter in future, which we shall punctually observe.

The Soldier prisoners here make frequent applications to be suffered to inlist with our recruiting Parties. We have constantly discouraged it, except in the instance of two of them who were inlisted by Cap^{t}. Watson, wherein the inlistments were actually signed before we knew of it. These Men we directed to go with Cap^{t}. Watson on the recruiting Service, & at the same time promised their former Cap^{t}. (Kinnear of the 7th Reg^{t}. who behaved with a good deal of warmth upon the occasion) that we would take the opinion of the Congress or the Committee of Safety in this respect. We beg leave to submit this matter to the Committee & request their Sentiments as to the propriety of such inlistments, according to which we shall govern ourselves.

By Order of the Committee,

WILL. ATLEE, *Chairman, pro temp^{e}.*

We earnestly request that this Resolution may be immediately effected in the best manner according to your better judgment from your experience of the conduct of these officers who have resided some time with you. In Committee of Safety, *March 14th, 1776.*

Gentlemen: This Board, in pursuance of a Resolve of Congress dated the 26th of Febr., have authorized the Committee of Lancaster to send one half of the Officers, Prisoners of war, stationed there to the Town of Carlisle for the greater safety of the publick. You'll observe by the resolve of Congress of the 28th of February, you are compitent to the Government of these Officers if their Conduct should be reprehensible. To the Committees of York & Cumberland Counties.

THE COMMITTEE OF LANCASTER TO THE COMMITTEE OF YORK.

In Committee of Lancaster County,
March 19, 1776.

Gentlemen: We received last night a Letter from the Committee of Safety of the Province of Pennsylvania, accompanied with their Resolutions & those of the Congress respecting the Officers who are Prisoners here. In Consequence of the Authority delegated so us, to make the best arrangement we could, as to this Distribution, we beg leave to mention to you that we have pitched upon the Town of York for the Place of Residence of Captains Strong & Livingston – Lieutenants Wittington, Thompson & Thomas, & Ensign Gordon of the 26th Regt. of Capt'n Robertson of the Royal Emigrants, of Capt'n Chase of the Navy. Lieutenant McDonnel of the 26th Regt. is absent in Philad'a by the Permission of the Hon'ble Congress. Capt'n Campbell has also leave to go to Philad'a to visit Mrs. Campbell who is indisposed. Should they return here they will also be fixed amongst you. The Officer's Servants accompany them. The other Officers are stationed at Carlisle. All the Military Gentlemen start from this Place on Friday next under the escort of two of us.

We think it our Duty to give you the earliest Inteligence we possibly can of this measure, that you may take the proper Steps with Respect to their Plans of Lodging, & such necessary precautions as must inevitably result from our Appointment. Permit us to quote a Passage from the Congress' Letter to us. "Upon the

whole Gentlemen you have judged rightly in supposing every measure you have taken to render the Situation of our Prisoners as comfortable as possible, would be agreeable to us. As men, they have a right to all the Claims of Humanity, As Countrymen, tho' Enemies, they claim something more. You have Therefore the Thanks of The Congress." Need we suggest to you, Gentlemen, that your Interesting yourselves in Behalf of those Officers who are to reside amongst you, in procuring them such private Lodging, necessary accommodations as they may want, will particularly oblige those Gentlemen & this Board? Your own feelings, we are persuaded, will render this Intimation perfectly unnecessary.

We have to apologize to you for the Liberty we have taken to open your Letter from the Committee of Safety. Some Doubts arose with respect to our Taking of the Parole of the Prisoners before they left this Borough. We recurred to your Letter for a Solution of our Difficulties. The common cause we are engaged in must serve as our excuse.

You will please to forward the Letter herewith sent to the Committee of Cumberland County by Express. We are directed to transmit our Letters as early as possible.

We are Gentlemen very truly,
Y'r most Ob'd't Humble Serv'ts.

THE LANCASTER COMMITTEE TO THE GENERAL COMMITTEE.

In Committee for Lancaster County,
Lancaster, *March 29, 1776.*

Gentlemen: We have received your Letter of the 14th Instant. accompanied with the Resolves of Congress of the 26th February, respecting the Distribution of the Officers late Prisoners in this Borough. In Order that your Resolution might be immediately effected, we desired the attendance of those Gentlemen, on your Letters Coming to Hand. After some Conference, we pitched on the Town of York for the Residence of the following Officers, viz': Captain John Strong, Capt. John Livingston, Lieut. D. McDonnell, Lieut. E. P. Willington, Lieut. Robert Thomas, Lieut. Edward Thompson, & Ensign James Gordon, all of the 26th Reg'. also of Capt". Daniel Robertson & Capt. Duncan Campbell both of the Royal Emigrants and of Capt". Robert Chace of the Navy. The Town of Carlisle was fixed on for the Officers of the 7th Reg'. viz': Captain Francis William Kinnear, Capt". Tim. Newmarsh, Capt". James William Baillie, Lieut. John Despard, Lieut. P. Anstruther,

Lieut. William Carlyon Hughes, Lieut. William Duff, Lieut. John Andre, Lieut. Joseph Campbell, and Lieut. George Peacocke. We have the Pleasure to mention to your Honourable Board, that whatever Pain a Separation from their Men might cause to the Military Gentlemen, they acquiesced with our Arrangement with great Politeness. We permitted one Servant to attend each Officer, and engaged at the Continental Expense, Teams to carry their Baggage, and Stage Waggons to transport themselves, to their respective Places of Destination. Two of our Board also accompanied them to York & Carlisle. The Expences attending this Matter will be transmitted to you, upon our being furnished with the several Amounts. We wrote to the Committee of York and Carlisle agreeable to your Desire, previous to the Officers setting out, and sent them your Letters. Capt[n]. Campbell afterwards produced a Letter from the President of the Congress, permitting him to go Philad[a]. so that his Rout was altered. Capt[n]. Gordon of the 29[th] Regt. came to this Town since, and brought with him an Extract from your Minutes. He went a few Days ago to York. Upon the whole, Gentlemen, we have transacted this Business according to the Best Judgement we could form, from our Experience of the Conduct of the Officers; and we flatter ourselves our Conduct herein will prove satisfactory.

Upon the Receipt of your Letter of the 19[th] Instant, we wrote to the several Colonels in the County, inclosing a Copy of your Letter and requesting a Conference with them, and the other Field Officers this Day, at the same Time desiring them to inform themselves previous to our Meeting, of the Number, Kind, State and Condition of the Arms in their respective Battalions. The greater Part of those Gentlemen met us this Day in Committee. We warmly recommended to them to use their utmost Diligence to procure the Articles of Association to be more generally signed, and that they would pay a proper Attention to the Arms & Accoutrements of the Associators, that every Man might be prepared & in Readiness to march at an Hour's Warning. We are filled with the utmost Concern, to find, that there is so small a Number of good Arms in the Hands of the Associators. When the late Resolve of Congress concerning the Disarming of Non Associators is carried into Execution by the Honourable House of Assembly, or your reputable Board, we doubt not but our spirited Associators will receive some supply of Fire Arms. The fatal Consequence which may arise from the Want of arms amongst us are too obvious to be insisted on, particularly in this Town, where we have about four hundred Prisoners, and most of them of active, restless and uneasy Spirits.

We have ordered 250 Weight of Powder immediately to be made up into Cartridges & fitted with proper Ball, so as to suit the several Bores of the Muskets and Guns amongst us, and to be lodged

in our Magazine. As this Powder and Lead has been laid in altogether at the Expense of the County, we beg Leave to suggest to you that should the same be removed from here, we must run to you for a fresh Supply, in Order to render the Minds of the Inhabitants easy.

We have also, Gentlemen, to answer your Letter of the 23d Inst. requiring us to fill up a Blank left for the Names of some Persons appointed to purchase of all such who do not associate and of such Associators, who have spare Muskets, as many good Muskets as they can procure in this County. We have taken Pains to inform ourselves on this Subject. We cannot find that there any Muskets in the Hands of Non-Associators, and but too few amongst those who do associate. Very small indeed is the Number of spare arms amongst the Associators, and those have been kindly dealt out to other Persons in the different Companies, who are unable to supply themselves with any Kind of Firelocks to learn the military Exercise. We regret exceedingly, that the unfortunate Want of proper arms greatly damps the Spirit of our military Associators.

We ardently wish & pray to obviate this powerful objection. We are confident, it is not the Meaning of your Board to encourage the poor and needy Associators to part with their Arms, and thereby to affect and sensibly injure the military Spirit prevailing amongst us: Nor do we apprehend it to be the Intention of your Letter, that all Kind of Guns indiscriminately, should be bought up of the Non-Associators. That particular Business, we conceive, will be carried through as early as possible, either by the House of Assembly or your Body, under the late Resolve of the Honourable Congress, in such Manner as will appear most eligible to secure those Arms, and at the same Time to preserve the Common Union and public Tranquility.

We are, Gentlemen, respectfully
Your very Obedient & Humble Servants,
By Order of the Committee,
J. YEATES, *Chairman.*

To the Hon'ble Committee of Safety.

THE GENERAL COMMITTEE TO THE LANCASTER COMMITTEE.

PHILA., *March 30, 1776.*

GENTS: The Committee are desirous of Having made in your County, three Hundred Riffles, but do not think proper to apply to your Gunsmiths, least they should Impede the makeing of the Musketts ordered by the Assembly, having been informed that you have

had much trouble before you could get the Gunsmiths to work. We are desirous to co-operate with you, and doubt not the gunsmiths you have makeing Musketts, will be very fond to make the Riffles, and therefore think will be of advantage to give the makeing of the Riffles, among the smiths in proportion to the Musketts they make. The constant attention you have paid to the publick service has been an inducement to us to give you this additional Trouble, which we doubt not you will excuse & shall be obliged to you to undertake to applying to the Gunsmiths on the subject.

TO CONGRESS FROM THE COMMITTEE OF LANCASTER COUNTY.

In Committee, Lancaster, *April 11th, 1776.*

Gentlemen: The officers of the 7th and 36th regiments, with those of the Royal Emigrants and Captain Chase of the Navy, having been lately removed from hence by order of the Committee of Safety, under the direction of the Honorable the Congress, to the towns of York and Carlisle, in this Province, without having it in their power (as we have reason to believe with respect to some of them) to discharge the moneys due at their lodgings and diet, at the houses where they were lodged and messed in this town; and the persons who have demands against those gentlemen for these articles, having laid their accounts before this Committee, and requested the assistance of the Committee in procuring them their moneys, we are obliged to trouble the Honorable the Congress with a state of the demands and accounts of these persons, and request their direction in the matter, that these creditors of the officers (some of whom, especially those whose claims are the greatest, are not in the most easy circumstances) may have their demands adjusted and paid.

The Committee, gentlemen, are interested in this matter. The officers, when brought to this town by Capt. Mott, were placed by him in the houses of Messrs. Mathias Slough and Adam Reigart, whose accounts, we understand, have been transmitted to Congress, and are therefore not taken notice of here. After those gentlemen had entertained and provided for the officers a considerable time, they found it very inconvenient and requested their removal. The officers took great pains to provide themselves with lodgings and accommodations, but without success. The gentlemen with whom they were first placed, at length refused absolutely to provide for them any longer, and applied to the Committee to relieve them. The officers in this situation likewise addressed the Committee,

representing the difficulties they were subjected to, every moment in expectation of being turned out of doors and having notice that no more provisions would be dressed for them. To gentlemen in that delicate situation, though enemies, we could not avoid rendering every service in our power. We made interest with some of the inhabitants to afford them private lodging with fire wood and candles. At these private houses they lodged and breakfasted, attended by their own servants, and as it was inconvenient for private families to dress dinners and suppers for them, we prevailed upon Mr. John Jordan, whose demand is the most considerable, to mess them at his house. And though we did not absolutely engage for the payment of their demand, yet as we assured them of our influence in procuring them satisfaction in case the officers should be unable to pay them, we have the greatest reasons to believe these assurances from us were their principal inducement to entertain these gentlemen. They now resort to us, and we must look up to the Honorable the Congress. We must do that justice to the officers of the 7th regiment to mention that none of these demands relate to that corps except the trifling sum of £6 10s 0d due to Michael Bartges, and that the residue is entirely for the lodging and accommodation of the 26th regiment.

The Committee have been highly honored and very happy in the testimony they have received of the approbation of Congress, respecting their former conduct toward the officers and soldiers, prisoners here. We could not be idle spectators of the distress these gentlemen were reduced to. We could not, as a Committee, avoid taking notice of their application; neither could we place them in a situation which would have been less expensive, without treating them in a manner different from that recommened to us by the Honorable the Congress, who, we hope will in the present case, suffer our conduct to pass without censure, and order in what manner these people's demands are to be satisfied.

We beg leave to ask if the former resolve of Congress, permitting the officers to come at times from their places of residence to Lancaster, for the purpose of settling with and paying their men, and receiving the necessary receipts for their rations, are to be deemed still in force, and whether, upon application of the soldiers for shoes or any necessary clothing (those applications now becoming frequent), this Committee shall provide them, at the Continental expense? We shall steadily persist in carrying into execution every resolve of the Honorable the Congress, and be strictly attentive to their directions and recommendations.

THE COMMITTEE.

THE LANCASTER COMMITTEE TO THE GENERAL COMMITTEE.

IN COMMITTEE FOR LANCASTER COUNTY,
LANCASTER, *April 11, 1776.*

GENTLEMEN: We received your Letter of the 30th March a few Days ago, but as the Committee of the whole county was appointed to meet shortly after, the consideration of the same was postponed until this Time.

Your Information with Respect to our having had much Trouble before we could get the Gun-Smiths to Work, was well grounded. We for our own Parts think our Time well bestowed in forwarding a Business so essentially necessary to the Well Being of the Community. It would have given us the highest Pleasure to have found the event of our Labours correspond with our Inclinations.

The Gun-Smiths residing in this Borough met us in Committee this afternoon. Some of them have proposed to furnish us with thirty Rifles, in six Weeks, others with the same quantity in two or three months, and a few who are not so strong-handed with a lesser number within those Terms. They insist on the Price of £4.10 per Rifle (to be made with wooden Boxes) and say they can get £5 from the neighboring Governments for such Work. We had received no Instructions from you and therefore could enter into no particular Stipulations with them. This Board have had no opportunity to confer with the Gun Smiths in the county on this Subject, but will attempt it as soon as possible. We perceive clearly that your Body have judged with the greatest Propriety, in fixing the Number of Muskets made by each Workmen, as the Proportion by which the Rifles are to be furnished. Your Desire of Co-operating with us & not immediately applying to our Smiths, least it should impede our Musket work, demand our acknowledgments. We cannot think that our Gun-Smiths, even while they are making of Rifles, should altogether throw aside the Musket Business.

We conceive it our Duty, Gentlemen, to intimate to you, that the chief obstacle against the Finishing of the Rifles speedily, consists in the Want of Locks. There is Reason to believe that some of our Workmen have bought up a Quantity of Locks, which they would not willingly spare to their Neighbours, who are not so well provided. A Recommendation from your Honourable Board to such Persons to supply others with those articles, at a generous, tho' not unreasonable Price, might be attended with good effects. We suggest this Matter to you for your consideration.

We have also to request that you would be pleased to furnish our Commissioners with an additional Sum of Money, in order to discharge the Ballances due to the different Tradesmen for Muskets,

Cartridge-Boxes, &c. Their Situations in Life are such as indispensibly demand their Money when they have completed their Work. Our Gun-Smiths particularly, feel the Want of Cash as we have precluded them (or attempted it) from all other Work, until the public Necessities are supplied.

The Field Officers of this County have required of us some more copies of the Articles of Association, and the Rules and Regulations for the better Government of the military associators. Those already sent up to us by you, have not been sufficient to answer the Purpose of this County. We therefore request you will transmit us a few more copies, in order that one general System may prevail amongst us.

Amid your more important Business, we beg to be favoured with an answer to our Letter of the 16th March, respecting the allowance to be made for the Muskets, and also to this Letter as soon as may be consistant with your Convenience. We shall then be enabled finally to close with our Gun-Smiths, and thereby greatly expedite this necessary Service.

We are, Gentlemen,
Your very Obed^{t}. & Humble Serv^{ts}.,

LANCASTER, *April 16th, 1776.*

DEAR SIR: I arrived at home on Sunday evening and yesterday morning had the Comittee Summoned to meet & when met I Laid before them the letter Comitted to my Charge by you, from the Comittee of Safety requesting the arms to be furnished to Cap. Dehuff and have the Pleasure to Tell you that it was Imediately and unanimously agreed that Such arms Should be furnished, viz: as many as Cap^{t}. Dehuff should want to arm his Company and no more, tho' I pushed hard to get a hundred. I then urged the Necessity there was of Procuring Blankets and Tow Linnin upon which it was Imadiately agreed that letters Should be wrote to the Several Township Comittees and request their assistance which is Done, and I have No Doubt but in a very Short Time we Shall Procure as many Blankets and as much Tow Linnin as we want. I at the Same time urged the Necessity there was of Procuring as many Rifled Guns as Possible and requested leave to advertise the Same which is not approved of because it Does not appear from any resolve of as-

sembly or Comittee of Safety that I am ordered to Procure them. Shall therefore be obliged to you to procure Such a resolve and Send to me as soon as Possible. Shall in the Mean time Procure as many as I Can; to-morrow our Taylers go to Work at the Hunting Shirts for which use I have a very Large Quantity of Linnin on hand as well as for the Purpose of making other Shirts, and hope soon to Procure as much blue Cloth as will Furnish the Musketry. Agreeable to promise I have Inquired the price of the Kind of Caps you want for the Rifle men and am glad to find that the Difference in price between them and hatts is such as we may venture at it being but 6s. 6d. a piece; have however not ordered any Nor Shall I, until I have the pleasure of your orders on the Subject. I have Sent you by the bearer my son a Pattern for a Coat of the best Cloth to be had here, which hope will please if not it may Perhaps Sute some other of the officers; hope to hear from you by the first opportunity; Meanwhile you may Depend on my greatest Diligence and am, Dear Sir, your Very Humble Servant,

GENTn: We find it necessary to direct that the Officers Prisoners of War at Reading be removed from that place to your Town, and request you would take the Parole necessary for them to sign, a Copy of which we send you. We also enclose a Resolve of this Board for this purpose, and several Resolves of Congress relative to Prisoners of War, by which you will be guided. Some one of the Officers must be permitted once in three or four weeks to go to Reading to muster the Soldiers Prisoners there and pass the Commissaries' Accounts.

I, being a Prisoner in the united Colonies of America, do upon the Honor of a Gentn. promise, that I will not go into or near any Seaport Town, nor farther than six Miles distant from Lebanon in Lancaster County, without leave of the Continental Congress or the Committee of Safety of Pennsylvania, & that I will carry on no Political correspondence whatever on the subject of the dispute between Great Britain & the Colonies so long as I remain a Prisoner.

THE LANCASTER COMMITTEE TO THE GENERAL COMMITTEE.

LANCASTER, *April 17th, 1776.*

GENTLEMEN: Lieut. Dullhunty of the 26th Regiment has appeared this Evening in Committee. Not being personally acquainted with any Member of your Board, he has desired us to make his application to you concerning the place of his future Residence.

From a former letter of ours to you, you will perceive that the other Officers Prisoners of the 26th Regiment were Stationed by this Committee at York Town in pursuance to the directions which you gave us. We made this observation to Lieut Dullhunty & expressed our Sentiments, thus his Rout seemed to be fixed thither. To this he objected, that during his short stay in Philad. he conceived he had it in his Election either to go to York or Reading. And that he was then a Stranger to a fact which now weighs greatly with him. The small Pox he is informed rages with violence in the Town of York, and has proved Fatal to many Persons infected with this disease. He has two young children with him, one at the Breast of Mrs. Dullhunty who have not had that disorder. The Parents' feelings, under such circumstances, were strong Inducements to us to trouble you with his application. Should it be thought improper that Lieut. Dullhunty should continue in this Town where the Privates who are Prisoners are stationed, he requests to be permitted to go over to Reading with his Family. We have indulged his desire to remain here until your Sentiments can be made known to us. When we can be informed of your Orders we shall deem it our Duty to carry the same into immediate Execution.

IN COMMITTEE AT LEBANON, *May 11th, 1776.*

GENTLEMEN: By Virtue of your Orders of the 17th April last, the Gen^{l}. Officers, Prisoners of Warr, were removed from Reading to our little Village called Lebanon Town. We are Sarry to Inform you, that we Cannot procure such Houses & accomadations as Men of their Taste do require. Could it poossable be done, we would gladly shew them as good a Countenance as the present Dispute will admit of, But there are few good Houses in the place, and such as are belongs to Men in Trade who cannot, nor will not, rent them. Such Houses as we are able to procure would Satisfy a Poor Country-man to live in, but do not Please the Prisoners of War, neither do we look upon them Sufficiant to Accommadate Gentlemen. The said Officers also produced a letter to us, from Co^{l}. McKean, one of the Members of the Hon^{ble}. the Continantel Congress, bearing date the 30th April last, telling them they might rest Satisfied that the Order of removal from Reading was Groundless, that they might remain at Reading as long as to them Conveniant, &c^{a}. Therefore we know not whether they are to remain at Lebanon for any time or no. If Conveniant we would be glad they might be removed to Some other place, if not, the Officers will be obliged to except of such Houses as we are able to procure for them. The further Orders from your respectable Body by this Express would be very agreeable to

We therefore request you would make known to those Gent^{n}. that if they can point out any other place where they can be better accomm^{d}. than in your Town, this Comm^{ee}. will give Order for their removal to it, if it can be done consistent with the Rules of the Congress. Lieut. Cuppaidge having applied to be removed to York Town you are desired to permit him so to do. Inclosed is a Resolve of this Board for that purpose which Mr. Cuppaidge may carry with him to York Town.

THE GENERAL COMMITTEE TO THE COMMITTEE OF LANCASTER.

PHILADELPHIA, *May 22nd, 1776.*

To the Committee of Inspection and Observation for the County of Lancaster.

We are under frequent Necessity of addressing you upon Subjects of publick Concern, of which the present is not the most unimportant. It is upon Occasion of the Uneasiness and Dissatisfaction, that we are told have prevailed in some parts of the County, on account of the high Prices to which many of the imported Articles of Merchandize, and some Necessaries of Life have advanced. But before we proceed further, it is proper to declare our Opinion that the Scarcity productive of these high Prices, is not an artificial but a real one, proceeding from the late absolute prohibitions of one important Branch of our Trade, and the Risque and Danger which have attended every other.

From whatever Source a general Discontent arises, it cannot fail, in this critical Season of our Affairs, to have the worst Consequences, but in our Capacity as Guardians in some Measure of the publick Welfare, it would give us infinite Satisfaction if the Evil in question, which will be removed with better Times, could be referred to its true Cause, the peculiar Situation in which the Country is

placed, rather than to a general Inclination in individual Trades, to Rapaciousness and Extortion. If even it should be supposed that Avarice has no small Share in producing this Complaint, this, although highly blameable should be patiently submitted to, for at what Time, or in what Country, has there not been some sordid Minds ready to prey upon the publick Necessities. Such Disposition to extortion may indeed be but too common, we find it prevail where at least one of the Motives to it mentioned above, cannot be pretended. We have seen one of the Articles of our own produce, Flax, lately raised in price to twice its former Value.

We know not where a Remedy can be applied, for a Knowledge of human nature should teach us, that so inordinate and crafty a Vice as Avarice has Ways to elude all the Force and Restraints of Authority, and truly in such Cases the Interposition of Power would sometimes produce more mischievous Consequences than the Evil it affected to cure.

We lament as the greatest Misfortune any Cause that has a Tendency to sow Discord among us, and promote Dissention, at a Time when nothing short of the closest Union can save us from Destruction. We lament that Clamours should be excited where they cannot but be unavailable; we would rather our Countrymen should consider whether the real, although temporary Inconvenience, they now feel, may not by care and Industry be converted into as real and permanent Benefits. It may, if rightly improved, teach us the Art of supplying our own Wants by our own Hands. Had it not been for the excessive Dearness of foreign Linnen, probably we should not have the present Prospect of relief in that Article, which the abundant Quantities of Flaxseed lately sown affords us. Happily there are few Wants which this Country cannot of itself supply; if we look about us, every Farm can afford some Substitute for almost every necessary Article that is now imported; these need not be pointed out, being well known.

It is these Sentiments which only can produce a chearful Acquiescence under the present Circumstances of our Affairs, and a determined Spirit of Exertion to resist the Efforts of Tyranny; such Sentiments we expect will be inculcated by all Men of understanding and Influence in their respective Neighbourhoods, and such we make no doubt from a Sense of your publick Duty, as well as from your Patriotism, and well-known Attachments to the common Cause, you will lose no Opportunity whatever to excite.

LEBANON, *June 15, 1776.*

GENTLEMEN: Yesterday morning before day all the prisoners of War stationed at this place absconded from their lodging and also their waiting men. The Night before they made Preparations to go a Fishing, as they sometimes amused themselves that Way, by means whereof they were not suspected till Yesterday Evening. Barrington went off Yesterday about Eight O'Clock, on pretence to be one of the Fishing party, and went by the way of Grubb's Forges. Two men are sent after him and hope he will be brought before you, before this Comes to hand. This morning the whole Family with whom they Lodged were Examined on Oath, touching the matter, but no Intention of their Deserting or Obsconding, nor which way they toock can be Discovered. But it is Generally thought here, that they have made towards New York by private Roads over the mountains. We have dispached persons to Jones's, Stump's, Rehrer's, & Emrick's, on the mountain side, to alarm the Country; Therefore thought fit to acquaint you with this affair, in order to receive your further Instructions how to proceed.

CAPT. GRUBB'S STATEMENT.

I do Certify that I saw Major Rogers on Tuesday night, between the hours of 9 & 10 o'Clock, & that Cap. Murray desired him to repair to his Quarters at that time as he wanted to go the Rounds, & after that he was playing Billiards with Dr. Allison, and before the game was ended he went down stairs & in a few minutes after he went away Cap. Murray came in the Room to inquire after him. I observed that Cap. Murray was very particular with him & would not suffer him to walk unless he attended him.

In Committee, Lancaster, *23d July, 1776.*

Sir: Your Express arrived here last Night between ten & eleven o'Clock, with the Ordinance of Convention for disarming the Non-Associators, and the Circular Letters to the Commanding Officers of the Battalions of Associators in this County, and this Morning about 8 o'Clock we dispatched three Expresses to different parts of the County, with a circular Letter and Ordinance to each of the commanding officers of the Battalions agreeable to the orders of Convention, so that by twelve or one o'Clock to Day we expect those officers will be possessed of them & have no doubt, will do every thing in their power to forward the march of the militia. We shall with great cheerfulness agreeable to the commands of the Honourable Convention "aid and assist them as far as in our power to carry the Recommendation of Congress into the most immediate & effectual execution by providing them with every necessary which we possibly can." We have assisted such Companys as were ready or nearly so, with Cash, Camp Kettles & a few Muskets and Bayonets, & our Gunsmiths have been busy for a few Days past in repairing their arms, but we think it our Duty to mention to the Convention that our Stores are nearly exhausted. We have distributed our Muskets & Bayonets so that we have hardly sufficient in good order to relieve (with decency) our necessary Guards. Our Tinworkers are out of Tin so that no more Camp Kettles can be expected from them, and we have taken up the chief part of the cash to be found amongst the money'd Men, which we have distributed amongst the officers to enable them to advance something to such of their People as stood in need of it, and beg leve to submit it to the Convention, whether Moneys should not be immediately lodged here in proper Hands, to be paid by direction of the Committee to the officers who march with the Militia for the use of their Men, most of whom require some little necessarys & many of them have Family's with whom they would choose to leave a few Shillings. We should be happy to have it in our power to supply these or any other necessary's to our Militia as they march—their applications are to us—they expect here to be equip'd and assisted, and it gives us pain to see their disappointment. Our Tin workers say there is no Tin to be had in Philadelphia; should there be any in the publick Magazines to spare, we could keep our Tin Men employed in making Kettles & Cantins for the Troops. We shall use our best endeavors to keep our Gunsmiths busy, and shall do everything in

our power to execute the orders of the Convention and promote the general Interest.

LANCASTER, *Oct^r. 28^th^, 1776.*

SIR: Inclosed I send you the Depositions of Edward Cowan & Solomon Marauchey against Peter Grubb with Grubb's Recognizance. The behaviour of Grubb in putting the Continent to a great expense and receiving a Month's pay for his Battalion and afterwards sending his Men home is well known to the Council and ought not to be overlooked, and he ought to be brought to an Account as well for that, as to what the within Depositions relate, speedily. He does not even deny his Sentiments and declared before me that he could not tell whether he had drank Success to the King or his Health, but one or the other he did.

I am, Sir, Your and the Council's Humble Servt,

JOHN HUBLEY.

N. B. It is likewise declared by Cowan & Marache That James Webb, Jr., in the same Company drank success to the Tories; if you think proper you will send for him, as no Committee now exists here.

Edward Cowan being duly Sworn, deposed and saith That being in Company with Peter Grubb, Richard Swanwick and others, on the Evening of the 27^th^ Instant, That the said Peter Grubb, did, then take a Glass of Clarret and said "Success to King George," which the said Deponant took to be king George of Great Britain.

Solomon Marauchey, being likewise duly Sworn, deposed & saith That being in same Company above mentioned did hear & see the above named Peter Grubb take a glass of Clarret and drink "Success to King George," which the said Deponant understood to mean King George of Great Britain.

SIR: I was on the 14th instant about ½ past 10 o'Clock in the Morning honoured with your Letter of the 12th with Letters addressed to the Colonels or Commanding officers of the eleven Battalions of Associators in this County (Michael Boyer, Express), and the same Day had them forwarded as directed in such manner that I have reason to believe the officers had them on the 15th in every part of the County.

And this Day, Stroud (your other Express) delivered me your Letter of the 14th instant, with Letters addressed as above, all of which, except three or four, are I imagine by this time with the officers & the remainder will I hope reach them to morrow, each accompanied with an address to the Associators. Stroud arrived here to Day at ½ past 12, and proceeded after a short rest for York, &c.

Colonel Ross's Battalion meet here to morrow morning, & the officers have hopes that by Tuesday morning a part of it will march for Philadelphia.

I have the Honour to be with respect,

SIR: The request of the Council of Safety for Waggons to assist the Inhabitants of Philad^{a}. in removing their Women, Children & Effects came to hand yesterday Evening. The Committee here yesterday had Hand Bills Printed & they will this day be dispersed thro' the County, inviting the Farmers to send down their Waggons immediately to assist the Philadelphians. And I stop the bearer of this to mention to you that there are about sixty of our Waggons on the Road towards the Jerseys with the Prisoners from hence, who would very probably strike across the Country to the the City, after delivering their Loads, if they had Notice that they were wanted.

I am, Sir, your most obed^{t}. Serv^{t}.,

WILL. ATLEE.

Hon^{ble}. M^{r}. RITTENHOUSE.

THE LANCASTER COMMITTEE TO THE GENERAL COMMITTEE.

LANCASTER, *the 13th Dec^{r}. 1776.*

GENTLEMEN: The inclosed is Copy of a Letter which I received last Night by Express from Colonel Burd. And as the Moneys forwarded by the Council of Safety to me to advance to the Companys who should march from the respective Battalions in this County amounted to but Six Thousand nine Hundred & sixty-six Dollars & $\frac{2}{3}^{d}$ of a Dollar, that is 696$\frac{2}{3}$ Dollars for each Company of ten Companys. I could not comply with the request of Col^{o}. Burd, however, as he mentioned that his whole Battalion were to march I ventured to send him One Thousand Dollars, and at the same time wrote him that I should send an Express to the Council of Safety & perhaps would have it in my Power to furnish him better when he reached Lancaster.

Colonel Galbraith's Battalion we are told will move on Saturday next, and as he likewise may make a demand exceeding his proportion of the Moneys forwarded to me by the Council of Safety. I am requested by the Committee, to ask the directions of the Council of Safety in these and similar Cases during the March of Militia, & should the Council think proper to forward a further

Sum for the Commanding Officers of the Battalions, to request that it may be done as expeditiously as possible that the Men may provide themselves with necessarys. The Militia of Lancaster seem rather backward, owing principally to this, that many of our spirited officers and young Men are gone as Escorts to the Prisoners sent from hence & upon their return have hopes they will turn out to the assistance of their Brethren. There are a few of the Militia from Cumberland County arrived here, who say that large Numbers are on their way down. The Battalion from Northumberland are also soon expected. Such numbers passing thro cannot be billeted on the Tavernkeepers, and as our Barracks are now empty (except a few sick who could not be removed) they are cleaning out for the reception of the Troops as they pass. Providing for them there will be less expensive than at the Taverns on Billet. But as to this, with the mode of providing for them, the quantity of provisions to be allowed, the appointment of a Commissary to provide for them, the Fund and mode of payment, &c., the Committee beg the directions of the Council of Safety by the return of this Messenger.

I am also directed to mention to the Council that we shall immediately require a large Sum to pay the Expence of the Escorts and Waggons sent with the Prisoners; they took near Sixty Waggons. Under 30s. a day we could not get a waggon to go at this Season of the Year, & even at that rate were under the necessity of sending Parties of armed Men, into different Townships to press them & bring them in. We had to engage that they should be paid here & hope the Hon^ble^ Council will enable us to make them satisfaction on their return.

We have frequently requested orders respecting the Baggage of the officers who went from Lebanon, & should be glad to know how we are to dispose of it.

We are also considerably in Debt to the Workmen and others for the Works carried on by the orders of Congress at the Barracks here. Two Companies of Guards will likewise have their pay due on the 17^th^ instant & will want it to equip them for their march to Philad^a^. These things will take we think about fifteen Hundred Pounds, which we hope we may be enabled to pay.

The Committee, to encourage the Farmers to turn out with their Waggons to the assistance of the Inhabitants of Philad^a^. have made a kind of promise that every Waggon should have a Bushel of Salt there on paying the price fixed by the Council of Safety, & desire me to mention that by this promise many have engaged to go, & hope the Council will please to let them have some.

I am, Gentlemen,

Your most obed. humb^l^. Serv^t^,

The bearer George Strahly is a reputable Inhabitant of Lancaster, & the Committee think may be safely intrusted with any thing which the Council may think proper to forward by him.

"*Col. 4th Batt. Lancaster County.*"

Copy directed to "William Atlee, Esq., Chairman Lancaster County Committee."

THE LANCASTER COMMITTEE TO PRESIDENT WHARTON.

LANCASTER, *December the 31st, 1776.*

SIR: Your favour of the 15th instant by George Strahly I received with fifteen thousand Dollars for the purpose of advancing the Militia a Month's pay, and such other public uses as the Committee of Lancaster may find necessary.

The Council by that Letter directed the Committee to appoint a Commissary to supply the Militia, who on their way through Lancaster might be lodged in our Barracks with the Rations allowed by Congress, and as to the subsistance of the Battalions of our County on their march to join General Washington left it to the choice of the officers of each Battalion to receive a penny p^r. Mile or appoint a Commissary to supply them with Rations.

Agreeable to those orders the Committee appointed Mr. Christian Wirtz Commissary, and finding from many representations that it would be difficult to procure provisions for the Troops on the Road, & that the Tavernkeepers exacted an extravagant price for such as they did furnish, we ventured to direct Mr. Wirtz not only to supply all the Troops who should pass thro' here & request it, with the accustomed Rations while here, but to furnish them with Rations to last them to Philadelphia. This mode of furnishing them appeared to the Committee the most certain & least expensive, &

seemed the most agreeable to many of the officers of the Parties on their way, as they had their Baggage Waggons with them & at this season of the year could carry Bread & Beef for three or four Days. To these was added where requested some Potatoes or Turnips & a little Salt, so that at their Stages they had nothing to request of the Landlords but House Room & the use of Kettles to dress their victuals, and some dressed it before they left this. The known scarcity of Provisions on the Road & backwardness of the publick Housekeepers to furnish it, induced the Committee thus far to exceed the orders of the Council; they however hope the measure will be approved of by the Council and that their Commissary's just accounts will be allowed.

On the 23d of this month the Committee were honoured with the Council's Letter of the 9th instant, mentioning that the Council had sent a quantity of Powder to our care. We think it our Duty to mention that no Powder hath come to our charge. A quantity of Powder did arrive in Town a few Days before the receipt of that Letter, and General Mifflin being then in Town with Col. Bird from Reading & they having appointed Mr. George Ross, jun., a Deputy Quarter Master here, that Powder was by the General ordered into Mr. Ross's care, & is very probably the Powder meant by the Council. On receipt of the Letter I waited on the General, who mentioned that Mr. Ross would take charge of those things, and that he & Mr. Bird would have the proper Guard appointed. However no Guard is as yet appointed, & the Committee cannot look on themselves as having the charge of those things without further directions, & by the by, if the Guard is to be selected from the Inhabitants of Lancaster or places adjacent, the committee cant help thinking themselves more proper Persons, than Strangers, to choose and direct it. The same thing has happened with regard to the Beef, &c., sent up. About the same time and daily since Waggons have arrived with those articles. They were ordered by the General & Mr. Bird into the care of Mr. Ross as they arrived. After a few days I found those articles by Tickets with the Waggoners were directed by Mr. Snowden, assistant Commissary, to my charge, & some of the Waggoners called on me to receive their Loads & pay their Carriage, but as Mr. Ross had received several quantities I directed the residue to him & continue to do so, to prevent confusion in the accounts, and left Mr. Ross to pay the Carriage, as it would appear absurd in me to bring a charge for Carriage of articles addressed to me, when I could render no account of them.

I am directed by the Committee to mention that one, Mr. Louis Lothemer, a French Priest, who by a Commission from Congress appears to be a Chaplain in the Continental Service resides here (having left Philadelphia at the time of the alarm). He has a Certificate from Mr. J. Gibson of a Month's pay & his Rations being

due to him early in this Month amounting to 41⅓ dollars. He seems to be out of Cash, & hath applied to us for his pay. We were sensible of the impropriety of our paying him, but at his earnest entreaty trouble the Council with his case for their directions. By his own account he seems to have been very active in our favour in Canada & is apprehensive of very severe treatment should he fall into the Hands of the Enemy.

I have the pleasure to mention that General Mifflin's presence has roused the Militia of this place to arms. Some Companies of Colonel Ross's Battalion marched yesterday, some go to day, & others to morrow, & they will be followed by the Town Companys of Colonel Slough's Battalion the next day.

The Council do me great honour by their approbation of my conduct expressed in your Letter, & by the confidence placed in me. I think I shall not abuse it, & am happy when I have it in my power to render an essential service to my injured Country.

I have the honour to be, Sir,

Your most obedient Serv^{t}.,

WILL. ATLEE.

THE COMMITTEE TO PRESIDENT WHARTON.

LANCASTER, *January the 7th, 1777.*

SIR: Your Letter of the 5th instant respecting the Plunder in the possession of the Hessian Prisoners was handed to me this afternoon by Express. I have not yet had an opportunity of communicating the Contents of it to the Gentlemen appointed with me to examine them, but shall do it this Evening if possible & endeavor to morrow to do as requested with all the address we are masters of. Your Express also handed to me a number of Addresses to the publick in English & German which the Committee will have distributed as directed. Also the Resolves of the Honble Congress & Council of Safety in respect to the Continental Currency a copy of which is now in the Hands of the Printer to translate, with directions to print 1000 in German & the like number in English agreeable to your Orders, which when done will be circulated thro' the Country & we hope will have a very good effect.

I had the honour to-day by the return of Capt. Murray, of mentioning the arrival of the Hessian Prisoners here. That on account of the uneasiness of the Inhabitants we had hired a place out of Town at a small distance from the Barracks as a Magazine for the Powder and Stores sent up here; & that we had agreed to take into Continental pay a Company of about Sixty of the Militia to do duty as Guard to the Prisoners, Stores, &c., until relieved by others who the Honble Congress or Council should appoint to that duty. With some other Matters as to which we beg the Sentiments of the Council,

I am, Sir, Your most obedt. humble Servt,

WILL. ATLEE.

THOMAS WHARTON, JR., ESQUIRE,
President of the Honble Council of Safety.

THE COMMITTEE TO PRESIDENT WHARTON.

LANCASTER, *the 13th January, 1777.*

SIR: In obedience to the Orders of the Council in your Letter of the 5th instant to Messrs. Lowman, Hubley, Bowsman & myself, we have had the Hessian prisoners paraded & their Baggage and apartments searched, and I am directed by those Gentlemen to mention to the Council that we could not find anything which had the appearance of plunder, except two or three pieces of old brass Desk-

mounting, not worth taking away. In the Bundle of one of them was a Sheet which the possessor assured us he bought at Princeton to make Shirts of, & with another was a Silver Spoon which he asserted he brought from Germany, & as it had the marks of age & German workmanship we left it with him. Nothing else of value was to be found in their Baggage or apartments. There is a Silver Watch with one of the officers of the Militia here, which was handed to him by one of the Hessian Serjeants to get repaired. In the outer Case of the Watch is a neat advertisment of a watch Maker in Baltimore with a small piece of paper charging one Lieut. Mause with repairs & to the Chain is a Seal with the Letters F. W. M., and in the Hands of one of the Inhabitants here is a Silver Watch made by Johnston of Liverpool, which shews the Day of the Month, &c., for which the person gave a Serjeant of the Hessians 29 Dollars. These Watches we have ordered those Persons to keep in their Hands & not part with them, till they have further directions, both the Serjeants asserting they are their own property fairly purchased & not plundered.

I beg leave to hand the Council a List of the Tradesmen among the Hession prisoners. A design of having the prisoners paraded & their Names called over once or twice a week by the officer of the Guard induced me to order the Serjeants of the Prisoners a Day or two after their arrival to furnish Lists of their Companys, & curiosity prompted me to require the Trades of such as were Tradesmen to be marked opposite their Names. Upon examining the Lists & finding so great a number of Tradesmen among them, I thought it a duty to the public to mention it to the Council, & hope it will please. I have no doubt but numbers of them would gladly be employed, & should it be thought proper to suffer it, it might not be amiss to fall upon some method of preventing the Master Workmen from outbidding one another for their Services. This was the Case with the other prisoners when here. They would gladly have worked for small wages rather than be confined in the Barracks; hands were scarce, the Master Workmen kept raising their wages from time to time to keep them from changing places, the Fellows soon knew their own importance & made their own Terms, & the advance to them was of course charged by the Masters to the publick.

Mr. Christian Wirtz yesterday presented to the Committee the Resolves of Council appointing him Town Major, with the Resolves for the Committee here to "direct a sufficient number of aged or infirm Persons who are unfit to bear the fatigues of a Campaign to be enrolled under the Town Major for the purpose of guarding the Prisoners in the Barracks and the ammunition & Stores during the absence of the Militia," with the Resolve respecting the march of the remaining Town Companys of Col. Ross's & Col. Slough's Bat-

talions. The Committee always with cheerfulness endeavour to carry the Resolves of Council into execution, but upon consideration order me to mention that they think it impracticable to find such a Guard, after marching the Militia. They have tried several methods to get one or two of these Companys to march, but all to no purpose, as the language among them is that *all shall go* or none will go. We had therefore some thoughts of making up a Company from among those who have had the fatigue of the flying Camp & are lately returned. They seem entitled to a share of the easy military duties amongst us. Having no Families or occupations in the Town they would be the more attentive to their duty. A couple of the Block Houses at the Corners of the Stockades which command a view of the Stockades within & without might very easily & at a small expense be fitted up for their reception & there they might constantly & very comfortably reside and draw their Rations. We thing such a Company by writing to the several Colonels who have had Men in the flying Camp would be immediately had, & the Companys here being then upon an equal footing we hope would march without further objections. We are sorry so many objections have appeared, and it gives us pain to be under the necessity of troubling the Council so frequently on the subject.

We are not yet favoured with the directions of the Council respecting the allowance to be made to the Tavernkeepers for providing victuals for the Militia, and as there are many instances where the Men have their own Provisions with them or draw it here & have it cooked at the Taverns, we should be glad to know the allowance to be made the Tavernkeepers in those Cases for their Fire, Candle, &c., & trouble with them.

Colonel Mackay writes me that the first Division of his Battalion left Carlisle on the 11th instant, and that the 2d & last were to leave it on the 12th, on their way to Philad^{a}. by way of Lancaster, where he hath requested Quarters ready for 620 Men, of which I have given the Quarter Master notice, & should the publick Houses be too much crowded with other troops, we must endeavour to prevail on the private Houses to take them in.

I have the honour to be,

Sir, your most obed^{t}. humble Serv^{t}.,

WILL. ATLEE.

An officer from Col. McKay is just arrived to provide Quarters for part of the Battalion, & desires me to mention that the Battalion is very badly off for want of shoes & stockings, & would be glad two or three hundred pair of each could be forwarded so as to meet them on the road. He says they purpose waiting here three or four days to rest the Men.

The Hon^{ble} President of the Council of Safety.

THE COMMITTEE TO PRESIDENT WHARTON.

LANCASTER, y^e^ *19th January, 1777.*

SIR: The bearer hereof Mathew McHugh hath been confined in the Goal here several weeks on a Mittimus of John Thome, Esquire, of Lebanon, a Copy of which is here inclosed. He hath frequently applied to the Committee here that he might have a hearing before them. But as they did not think they could properly determine in the matter after a Commitment by a Justice of the State they declined it. They have however ordered to me to take his Recognizance with three sufficient sureties (which I have done) for his appearance before the Council of Safety, & obedience to such orders as they shall make in the premisses and is delivered to one of his Sureties (William Bell) who with the others is bound to conduct him to Philad^a^. & return him to Lancaster Goal or otherwise dispose of him as the Council shall please to order.

I take this opportunity to mention that the Waldeckers & Hessian prisoners under the Escort of Lieutenants Jordan & Miller arrived here this Morning & are at the Barracks. I shall present the Council's Letter which came by those officers to the Committee this afternoon & have no doubt every Member of the Committee will exert themselves to carry the orders of Council in respect to the march of the Militia here into immediate execution.

I am, Sir, with much respect,
Your most obedient Servant,
WILL. ATLEE.

IN COMMITTEE, LANCASTER, *the 19th January, 1777.*

GENTLEMEN: At the time the British prisoners were removed from hence, a few who were then unwell continued at the Barracks here. They are now so far recovered as to be able to travel, and Colonel McCoy mentioning that the rear Guard of his Battalion shall take them in charge, the Committee have thought best to send them from hence to be disposed of as the Council of Safety shall think best, as they belong to the 7th & 26th Regiments & are part of those taken prisoners at St. John's and Chamblee. A List of their Names are inclosed. They occupied two of the Rooms in our Barracks. Those Rooms are now wanted for the Hessians & Waldeckers. It seemed improper to have these persons so near to & mixed with the others, & as they were for exchange, sending them in this manner seemed to the Committee more elligible than employing a Guard on purpose to conduct them.

In Committee, Lancaster, *y^e^ 6^th^ January, 1777.*

Sir: On the 5^th^ instant, Cap^t^. Murray and his Guard arrived here with the Hessian Prisoners, (I think about Eight Hundred & thirty) who are placed in our Barracks. They are rather crowded at present, being seventeen in a room, but in the course of a week we shall be able to give them more room, as the carpenters are now busy in laying in Floors in the additional Buildings, and when that is done we can stow away a *few more*. They have not received the least insult since they came here, & agreeable to the request of the Council of Safety, the Inhabitants seem disposed to treat them with civility. They are kept from having intercourse with any but such persons as the Committee permits to see them, & the Rev^d^. Mr. Helmutt of the Lutheran Congregation, the Rev^d^. Mr. Helfenstein of the Calvinist Congregation & Mr. Heyney of the Moravians with the Members of Committee are appointed their Visitors; & the two former propose sometimes giving them a Sermon in German.

As a Guard to them & the Stores placed here the Commitee find themselves under the necessity of taking into Continental pay about Sixty or Seventy of the Militia of the Town, to do duty until others may be ordered to relieve them. In the Guard none will be admitted who have shown a backwardness when called upon to march with the Militia, & in a conference with Colonels Ross & Slough we have agreed to fix them in the following manner: there is one Comp'y of Col. Ross's remaining here & two of Col. Slough's; one of Colonel Slough's is immediately to march; from the other & Cap^t^. Musser's (of Ross's) are to be taken the Men who turned out to join the Camp. These together will we think amount to about sixty or seventy, & are to do duty as one Company under one set of officers, who are to be taken as equally as may be from the two Companys & be charged monthly, & as to those who have skulked we are determined to be active in securing them & forwarding them after their Companys.

The Inhabitants being uneasy at the Powder & some other Stores being placed in our Court House & new Goal, we have taken the House at Mr. Fortinee's out-Lot (a place known to the Members from hence) for its reception. It seems the most proper place about the Town for a Magazine, & Mr. G. Ross, jun., or some Person under his direction will we believe begin this day to remove the Powder, &c., there. It is within view of the Guard House at the Barracks & proper Centries will be placed to secure it. We are obliged to promise Mr. Fortinee that the publick will make good to him any damages which his Building may sustain by the Powder & Stores being placed there.

As our Barracks are now taken up with the Prisoners, we are again obliged to place the Militia & Troops passing thro' here among the Taverns. They are much averse to it, & many of them took down their signs upon the occasion. However a deputation from the Committee went round amongst them, & promised to use our influence with the Council to have their allowance increased to 12d or 15d p^r. Meal, upon which the Q^r. Master was desired to proceed in placing the Troops with the Tavernkeepers & they have, tho' much against the Grain, accepted them. We beg the Council's sentiments on this matter. The prices of every kind of provisions amongst us are greatly raised, & it is really difficult to get the necessary supplys for the Town from the Farmers as heretofore, an evil which if not soon remidied may be productive of bad consequences.

By order of the Committee,
I have the honor to be,
Sir, your most obed^t. Serv^t.,

To the Supreme Executive Council for the State of Pennsylvania:

The Representation and Petition of Michael Hubley, Barrack Master in & for the County of Lancaster, in the State of Pennsylvania,

Sheweth: That your Petitioner was Appointed to the Office of Barrack Master aforesaid by your Honours, on December the 15th last was a Year, with the Rank & Pay of Captain. That since his first Appointment the Business of the said Office has Vastly increased, especially since the Loss of the City of Philadelphia. That your Petitioner is Obliged to keep and use a Horse continually, having never been able as yet to procure any Forrage from the Quarter Master, without which it would be Impossible to perform the business required to procure Wood, &c., for the Barracks & different other Places where Soldiers are quartered. That, that expence alone is very little inferior to his pay which he now receives. That he is sorry to say that the Barrack Master General by no means gives him that Assistance, which at this Time is so especially necessary or does he allow him such proper deputies, as the Nature of his Office requires.

Your Petitioner therefore prays that your Honours will please to take the Premises into your Consideration, And make such Order therein by Augmentation of his Pay, and Power to procure such Assistance by Deputies or otherwise as the Public Service especially at this Time absolutely requires, or as to your Honours shall seem Meet.

And your Petitioner will allways pray,

WILLIAM ATLEE TO PRESIDENT REED.

LANCASTER, *December y[e] 29[th], 1779.*

DEAR SIR: I have the honour of your Letter of the 22[d] instant, repecting the Lands called the Indian Town, in or near Connestogoe Mannor, said to be purchased lately by Mr. John Musser from John Penn, Esquire; and had hopes that among my old Papers I should have found some Memorandums, which would have afforded me the pleasure of giving Council, with exactness, the contents of the agreement between William Penn & the Indians as to those Lands. As upon the Indians being killed at the Town, the (then) Sheriff, John Hay, Esquire, secured their Papers and I took a particular account of them, (with the Indian and Country Names of the Indians belonging to the Town & the Tribes they were of), & imagined I still have it, tho' after two Days search among old dusty Papers I can't yet lay my Hands upon it.

I have found the List which I then took of the Indians who were killed at the Town & in the Work House in Lancaster, and the rough Draught of a Letter which I penned from the Sheriff to the then Governor, to whom the Deeds and Papers were (I think) sent. In this Draught is a short account of the Papers; but not so particularly set forth as in the List or Memorandum I took for myself. However here follows extracts from it relating to them:

"A writing on Parchment purporting an article of peace & amity concluded on between the Governor of Maryland & Cap[t]. Civility, Chief of the Connestogoe Indians; Massawanoe, Chief of the Chawanas; Wewinjock, Chief of the Connoyes, and Owakelo, Chief of the Delaware Indians in behalf of themselves & the Indians under their Government."

"A Letter (which seems to be under the lesser Seal of the Province) signed W. Keith, dated Philadelphia, May 26[th], 1719, directed to Civility & the rest of the Indian Chiefs at Connestogoe."

"A writing purporting a Letter (which seems to be under the lesser Seal of the Province) signed W. Keith, dated at Philad[a], 5[th] May, 1719, directed to Civility or Tagotelessa and the Indian Chiefs at and near Connestogoe."

"A writing purporting a Letter signed James Logan, dated the 22d 4 mo., 1717, directed to Civility & the other Indian Chiefs at Connestogoe."

"A paper (which seems to be under the lesser Seal of the Province) signed James Logan, Secr'y, & purporting an order of Council held at Philad', Sept. ye 28th, 1708, or request to the Indians to apprehend Nicole Godin on suspicion of several treasonable practices against the Government, &c."

"An article of agreement of the three & twentieth Day of the second month, called April, in the year one thousand seven Hundred & one, Between William Penn, Proprietary, &c., on the one part, and Connoodaytoh, King of the Indians inhabiting in or about the River Susquahannah, and Widaggh, Roqueeash; and Andaggyjunkquagh, Chief of the said Nations of Indians; Wopatblha, King, and Lemoytungth and Pemoyajooagh, Chiefs of the Nation of the Shawonnah Indians; and Abookaffoough, Brother to the Emperor for and in behalf of the Emperor (and Wecwhinjough, Cheequittagh, Tekyewsan & Woapatkoa Chiefs) of the Nations of the Indians inhabiting in and about the northern part of the River Potomack in the said Province, for and in behalf of themselves and successors & their several Nations and people on the other part."

This last, I think, is the article which relates to those Lands, & as near as I can recollect they were to remain for the use of a Family of the Mingo Tribe, of which Shehaes or Jo. Hays, an old Indian man who was killed at the Town, was then the head, and their or his Descendants, & upon that Family's extinction, to remain to the Proprietors; but as my memory may not serve me, so as to give a true state of the affair, at this distance of time, I shall as you request, endeavour to get some information from Mrs. Susanna Wright, & shall in the meantime have a further search for my memorandum respecting it.

Mr. Musser was at my House the day after I received your Letter, & I then learning from him that he had not yet received a Deed for the Lands nor paid the whole purchase money, I noticed him against proceeding further in the affair, & advised him to wait on the Council respecting it; which he assured me he would do in the course of a few Days. He has since left Lancaster for Philadelphia.

Mr. Barton hopes he will be allowed to take the Crop in the Ground for the benefit of himself & the young Family his Father has left behind, as it was put in before they had any notice of the sale by Mr. Penn, or the claim of the State, and Mr. Hall the agent will, in the Course of a Day or two, go and take possession of the place for the State.

I shall not fail to deliver your Message to my Brother as soon as I see him, which I hourly expect. I find there are some Persons amongst us who purpose pushing him for Councellor in case of the

resignation of Col. Smith. What his own sentiments are on this subject I don't yet know, but I think I shall advise him against it.

Mrs. Atlee joins me in the Compliments of the season to your Fireside, & I am, with the most sincere esteem,

Dear Sir, your most obedient & very humble Servant,

WILL. ATLEE.

31st Dec^r., A. M.

I have this moment seen Mr. W^m. Hay, the son of Sheriff Hay, who says he has among his Father's Papers a receipt for the Papers which belonged to the Indians, and as soon as he returns home will search for it and forward it to me. If he does I shall do myself the Honour to give it a speedy conveyance to you.

1st Jan'y, 1780.

I have just received the inclosed from Mr. Hay. I had desired him to give me his sentiments of the agreement between Mr. Penn & the Indians, without mentioning mine to him, & as he sends them to me I forward them.

WILLIAM HAY TO WILLIAM ATLEE.

January 1st, 1780.

To the Honorable William Atlee, Esq^r.:

Sir: The Indian Rights for the land in the Canastoga memor were lodged in my hands and lay with me for some considerable time. Upon an order (from whom I can't at present recollect) I delivered the writing to Cap^tn. Thomas McKee and took his Receipt for the delivery of the same, to the person who sent the order. The Grant of the land to the Indians gave them a Right to the land no longer than they pleased to live on the same. They had no Right to sell if they left it. This I think was the Tennor of their Right. I will look for the Receipt when I go home and send it to you.

I am, sir, your Honor's most Humble Servant,

W^m. HAY.

THE COMMITTEE AT LEBANON TO COL. SAMUEL J ATLEE.

Lebanon, *September 30th, 1780.*

D^r. Sr.: We beg leave to acquaint you of the great difficulties we now Labour under on account of sundrey disaffected and rebelious persons inhabiting in one Cap^t. John Moor's Company of our Bat-

talion, who utter every unbecoming riotous expressions, oppossing and resisting the Laws of this State, speaking contemptously against them, defaming, slandering, and scofing Congress and General Washington in a mean manner, to the greatest Astonishment and vexation of the spirited and well Affected people and bad example of others, Absolutely refusing either to Attend on any of the exercising days and paying their Fines for non-attendance, as also the Assessment for hiring the Volunteers, and we have given them all the indulgence and patience we Lawfully could to avoid the disagreeable steps which we are now compelled to take, having put up Advertisements in their district wherein we appointed a day required them to meet and pay their Fines and Volunteer Assessments. Offered to take the same without any further Charge or cost, but contrary and against all the good intents and meaning they refused to make payment thereof and continued in their old absurd way; menaced and abused the Collecter in a rough manner, expressed sundrey menacing words against him, that he should be a dead man if he Attempted to demand the Fines or any part thereof. In consequence of which he demanded Assistance and we Furnished him with seven men, with whom he proceded against them and made sundrey distresses, but soon the disaffected Assembled about Forty in Number, all provided with Clubs, and resisted the Collecter in performing his duty. He then retired from that place and demanded a more Sufficient Number of Assistance. We then applied to Col°. Clerk and Col°. Rogers for thirty men of their Battalion, which Number we expect will arrive on Monday or Tuesday next.

We herewith inclose you a List of the ringleaders of said aggressors, amongst whom is Henry Sheffer, one of the Justices of the peace, who issues his Warrant for Apprehending Captain John Moore for returning the said Aggressors as Absentees, agreeable to Law. We beg leave to be informed how to proceed against them, whether they are to be prosecuted agreeable to the civel Law or the Military, as they deserve exemplary punishment.

As Ammunition is highly essential at this place, we have given Col°. Grubb an order on the Commissary of Military Stores in Lancaster for

If the Commissary should refuse to deliver it upon s^d^. order, then you will please to take such measures to obtain the same as you shall think proper. We cannot sufficiently Express our sorrow and anxiety on this occasion, as we was informed that the Aggressors were all on horseback last nignt to pursue the Collecter in order to make an Assault. We are intended to bring this Controversie to an end with all possible Dispatch, let the consequence thereof be whatever they will, but fear it will end with Tragedy, which is a matter that workes daily & Hourly upon our minds. We greatly depend

upon your Advice, Aid, and Assistance in the premisses. The Bearer hereof, Col°. Crubb, will give you a more particular Account of the Affair.

We are, S^r^., with due respect, in haste,

THOMAS EDWARDS, *L. C.*

P. S. We are informed that the Militia of other Battalions are called to rendezvous at Lancaster next week, and no positive marching orders are come to our hands yet, and we are of opinion that the same must be mislaid, you will therefore please to inform us if any marching Orders.

N. B. We afterwards found that a sufficient Quantity of Ammunition is in the possession of Col°. Marsteller.

LANCASTER, *ye 29th March, 1781.*

SIR: I have just now received the enclosed Letter & Warrant from the Chief Justice with a request to forward it to you by Express.

He writes me that they have a Letter from Governor Jefferson informing that Gen. Green with 4,000, chiefly militia, has had an engagement with Lord Cornwallis and about 2,500 regulars, about a mile and a half from Guilford Court House, on Thursday the 15th instant. The action continued an hour & a half, & was very bloody. General Green thought proper to retire about a mile & a half in good order, & Cornwallis was so crippled that he did not attempt to follow. The engagement would have been renewed the next day, but it proved rainy, & Captain Singleton who was in the action & brought the intelligence from camp to Governor Jefferson, then came away; he supposes there must have been another action as soon as the weather cleared up, as Gen'l Green's army were in high spirits and resolved upon it again. It is conjectured (the returns not being made) that we have had about 300 killed & wounded, among the former, Major Anderson & Captain Barrett of the Maryland Line; and among the latter, General Stevens, shot in the thigh & brought off, & Captain Fontleroy, shot also in the thigh & left on the field. The enemy are said to have between 500 & 700 killed & wounded.

Also, that on the same a battle was fought between the French and British fleets near the Capes of Virginia; it continued an hour & 45 minutes. The British were considerably superior in number & force, having 12 ships to 9, and the consequence was that the British got into Chesapeak & the French returned to Rhode Island, without a vessel being taken or lost on either side.

You will oblige me if you will mention to Mr. Zachary Shugart of your town, that I shou'd be very glad to see him here, if he cou'd make it suit him to take a ride this far,—the Council having requested me to make some inquiry of him respecting some transactions of some of our people while on Long Island.

Please my compliments to Col. Hartley & your Family.

I am, Sir, with esteem,

Your most obedt. Servt.,

WILL'M ATLEE.

HENRY MILLER, Esquire.

Indorsed: To Henry Miller, Esquire, High Sheriff of York County p. Mr. Killar, Express.

WILLIAM ATLEE TO SAMUEL J. ATLEE.

LANCASTER, *y^e^ 16 Sept., 1781.*

DEAR BROTHER: The bearer of this, Mrs. Bradburn, is in pursuit of her Husband. It is said by some that he is in N. York, & by others that he is in Jersey. She can give you the circumstances of his going away from hence.

If when she arrives in Philad^a^. she should be able to learn where he is, & that he is N. York, she purposes to go to him, but as that can't be done with safety to herself, without proper passports, she begs me to write to you & request you will give her such assistance in that way as you may with propriety.

The poor woman is much distressed. We have endeavoured to prevail with her to stay here, where she has two Children yet remaining, but to no purpose, & she is in a bad condition for travelling.

I thank you much for being so attentive to us Country Folks in forwarding the News & Papers.

& am your affect. Bro.,

WILL. ATLEE.

I wish I could get lodgings at Jacob Barge's when I come down next week.

COL. ADAM HUBLEY TO PRESIDENT MOORE.

LANCASTER, *November 20^th^, 1781.*

SIR: Inclosed, I transmit your Excellency, the Proceedings of a general Court-martial, with other papers, held for the Trial of sundrey Prisoners of the Militia on duty at this place, for your Excellency's perusal & orders thereupon.

Your Excellency will observe, that Stephen Long & James Dick, Two of the Prisoners are recommended for a Pardon. Circumstances, in my opinion justify the lenity of the Court, and I would beg to add (& particularly as I am requested by some of the members of y^e^ Court) your Excellency's mercy should also be extended to the other two Prisoners, viz: George Lenbare & Titrich Row. The whole behaviour of those lads proceeded (as it now clearly appears to me) from ignorance & a culpable conduct of some of the officers.

Mr. Hambright has requested, I would mention his situation to your Excellency & Council, his situation with respect to the Barracks at this place. Notwithstanding his frequent applications to

the Board of War, &c., for money to keep them in proper order, he has not been furnished with a six pence, nor can he procure on the Credit of the public even a person to sweep the Chimneys. The Barracks at several times, for want of sweeping has taken fire, and unless he is enabled to keep the chimneys clean, I fear some accident will in the course of this winter take place. As the Prisoners are not the most careful people, nor would they care anything if they burned to the ground.

From those circumstances, your Excellency & Council will probably judge it necessary to give some orders, and enable the Barrack-master to have them put and kept in order. Some other necessary repairs are also wanting, which Council will likewise please to consider.

I wrote your Excellency, some time hence, respecting Cartridge-boxes now in the Possession of Mr. Henry. I would beg to remind your Excellency thereof.

I have the Honor to be with every respect,
Your Excellency's most Ob^{t}. & very D. Serv^{t}.,
AD^{m}. HUBLEY, Jr., *L^{t}. L^{r}. C^{y}.*

The s^{d}. Stephen Long, James Dick, Dietrich Row, and George Lenhere, being arraigned, They and each of them Plead Guity to afs^{d}. Charge, being a Breach of positive orders and conduct subversive to all regulations and military Discipline.

The Court are of opinion that the Prisoners fall under the 5th Article of the 18th Section of the Rules and Regulations of the Federal Army, Sentence Stephen Long and James Dick to receive Twenty-one Lashes each on their bare Back, and Dietrich Row and George Lenhere to receive Fifty Lashes each.

The Court further considering the former good Behaviour and Character of Stephen Long and James Dick, take the Liberty of recommending the sd. Long and Dick, to His Excellency the President and Commander-in-Chief, for Pardon.

COL. HUBLEY TO PRESIDENT MOORE.

LANCASTER, *April 29th, 1782.*

SIR: Colo. Kucher requests your Excellency will present to Council the inclosed resignation of his office as Sub-Lieutenant of Lancaster County, and prays Council will please to accept of it.

It will be necessary, least delays in that district should take place, that some person should as soon as possible be appointed to succeed Mr. Kucher.

I shall take the liberty to recommend as a proper person for that purpose, Mr. Glonninger, a young gentlemen, much esteemed in that Quarter, and from the recommendations as well as personal knowledge, which I have of him, I am well assured the appointment will be perfectly agreeable to the people.

I have the Honor to be with every respect,
Your Excellency's most obt. D. Servt.,
ADm. HUBLEY, Jr., *Lt. Lr. Cy.*

WILLIAM HENRY TO PRESIDENT MOORE.

LANCASTER, *May 29th, 1782.*

SIR: I have advanced £2,448 towards Recruiting the Pennsylvania Line, Forty Eight pounds more than I have orders for. The Recruiting Service goes on but slowly. I should for my part be glad to have my Account settled, and perhaps it would be prudent for Col^r. Thompson to have his settled with the officers, as there is little more to be done at present. I returned yesterday from Carlisle, where I was summoned to give Evidence in Behalf of the State in General Roberdeau's Action for Damages sustained in Carrying on the Lead-Works on Juniata. The Jurey found for the State generally.

I am, Sir, your obed^t. hum. Serv^t.,

WILLIAM HENRY.
